Гулова Рустама.

In England and Wales children start schooling when they are five. A lot of them leave school when they become sixteen.

**Most children go to state schools
which are free.**

**The school year in England
begins
in September. It never begins
on Monday.**

to
primary school and stay there
for
seven years. When they are
eleven,
primary school pupils go to
secondary school

Secondary education is also free in state schools. Parents do not pay for their children.

Pupils usually have five lessons five days a week. They go to school from Monday to Friday.
