

Букингемский дворец – символ Великобритании

2015

Buckingham Palace is the symbol of London and the United Kingdom of Great Britain.

**Buckingham Palace is the official home of
the Queen.**

**There is the Royal Standard above
Buckingham Palace when the Queen is at
home.**

Buckingham Palace has 775 rooms. There are 52 bedrooms for the Queen, her family and guests, 188 bedrooms for the Queen's servants, 92 offices and 78 bathrooms.

There are 1,514 doors and 760 windows in Buckingham Palace.

There are over 40,000 light bulbs in the Palace.

There are more than 350 clocks and watches in Buckingham Palace. It is one of the largest collections of clocks in the world.

Buckingham Palace's garden is very big. There is a helicopter landing area, a lake, and a tennis court there. There are 30 different types of birds and 350 different flowers in it. Buckingham Palace has its own chapel, post office, swimming pool, cafe, and cinema.
