Festive time

Время праздника

We are going to do:

- do exercises,
- read,
- learn new words,
- learn the differences between
“make” and *“do”*,

- **Our aim** is to learn the new words, the differences between “*make*” and “*do*”, and information about some holidays.
- **Our task** is to do lexical exercises, using the new vocabulary.
- **Our problem** is to find a way of congratulating.

Phonetic exercise:

Celebrations, celebrations!
Need a lot of preparations,
We all are busy,
Phone calls we make,
Do shopping, dusting, washing,
And also bake a cake!

Season's greetings

Mother's Day

“Mother's day” is celebrated on the last Sunday of November in Russia. The holiday started in 1998 to mark the role of the most important person in everyone's life. The light-blue forget-me-not is the emblem of the “I love you, Mom” actions that take place in Russia. These delicate flowers remind us not to forget our mothers.
