What do you think?

Certainly!

Of course!

I agree with...

I also think...

Certainly not!

Of course not!

I don't quite agree

with...I think...

Do you agree?

- It's a pleasure to play computer games from morning till night.
- Gardening may be an occupation or it may be a hobby.
- Photography is boring for girls.
- You may be bored if you are idle in your free time and haven't taken up any hobby.
