

Eco-problems in my hometown

Онищенко Софья
МОУ «Михайловская
СОШ»

Main eco-problems of my hometown

- Rivers are polluted
- Animals are disappearing
- Cars and factories poison the air
- People throw away litter
- Trees are cut down

What do people do to save nature in my hometown?

- Organise charity events, the subbotniks and actions
- Plant trees, shrubs and flowers
- Clean rivers and careers of litter
