

Geography of Great Britain

Great Britain
is situated on
the British
Isles.

The British Isles are separated from Europe by the Strait of Dover and the English Channel. The British Isles are washed by the North Sea in the east and the Atlantic Ocean in the west.

Rivers

The Thames (England)

The Severn (Wales)

The Tyne (England)

The Clyde (Scotland)

The Lake District

It is a mountainous region in north-west of England. A popular holiday destination, it is famous for its lakes, its mountains and natural beauty.

Ben Nevis

Ben Nevis is the highest mountain in the British Isles, located in Scotland.
