Who is a friend?

*A person connected
with someone close to
good relationship,
mutual sympathy
based on mutual
understanding!)*

Old friends are the best.

Старый друг лучше новых двух.

What are friends for?

What are friend for? We are so used to them that we do not ask ourselves « why are they to us? » When a friend is around, we are comfortable and safe. Friends have much in common – a sense of humor, the perception of the outside world, a common cause or a time to relax. But, they are not twins. This help them complement each other.

Do you cherish your friends?

1. What do you need friends for?

2. What qualities do you think friends should have?

3. What do you value in friends?

The end)

Thank you for
your attention!
