"I'm looking for a raincoat"

- ***Miss, I'm looking for a raincoat
Not too short, not too long
And not too expensive,
Under 50 dollars.***
- ***Here is one, try it on.***
- ***How much is this coat I'm wearing?***
- ***49.99.***
- ***How much is the raincoat in the central window?***
- ***89.99.***
- ***Now I'm looking for a sweater
Made of wool and dark green.
How much is the sweater in the central window?***
- ***It's on sale for 18.***
- ***Well, I'd like to buy this raincoat
And that green sweater too.
Havens, where's my wallet?
It was in my pocket!
Just my luck!
Now I'm stuck.***
- ***Now I'm looking for my wallet.
It was small and dark brown.
I can't find my wallet.
It was in my pocket.
Oh, my god, who is this thief?***
