# A trip to Fairy Land

I am going to visit Fairy land in June this summer. There the weather is god. It is sunny and hot.

I will live in the castle. There are a lot of rooms in my castle. There are a living room, a playing room, my bedroom, 24 bedrooms for guests and 8 bathrooms.

The most beautiful room is living room. There are a sofa, 2 armchairs, a big table with chairs, a fireplace, a TV and an old clock there.

It is very funny and beautiful in fairy land. Magic creatures live there: dragons, Pegasus, griffons. We can play with them.

I invite all of you to my castle in the fairy land.
