

A large, vibrant pink rose is the central focus, with its petals showing a gradient from light pink to deep red. To its left, a small branch with tiny purple flowers adds a delicate touch. In the foreground, two gold wedding bands are positioned, one slightly behind the other, casting soft shadows on the white surface. The overall composition is romantic and celebratory.

Love in different countries

- England
- France
- Germany
- China
- Japan
- Australia
- America

- **Here, love begins with friendship. The English are usually introduced through friends or at work. And long-time friends before starting a romantic relationship.**

- **In England the most value a sense of humor, so the way to the heart is through a local joke.**

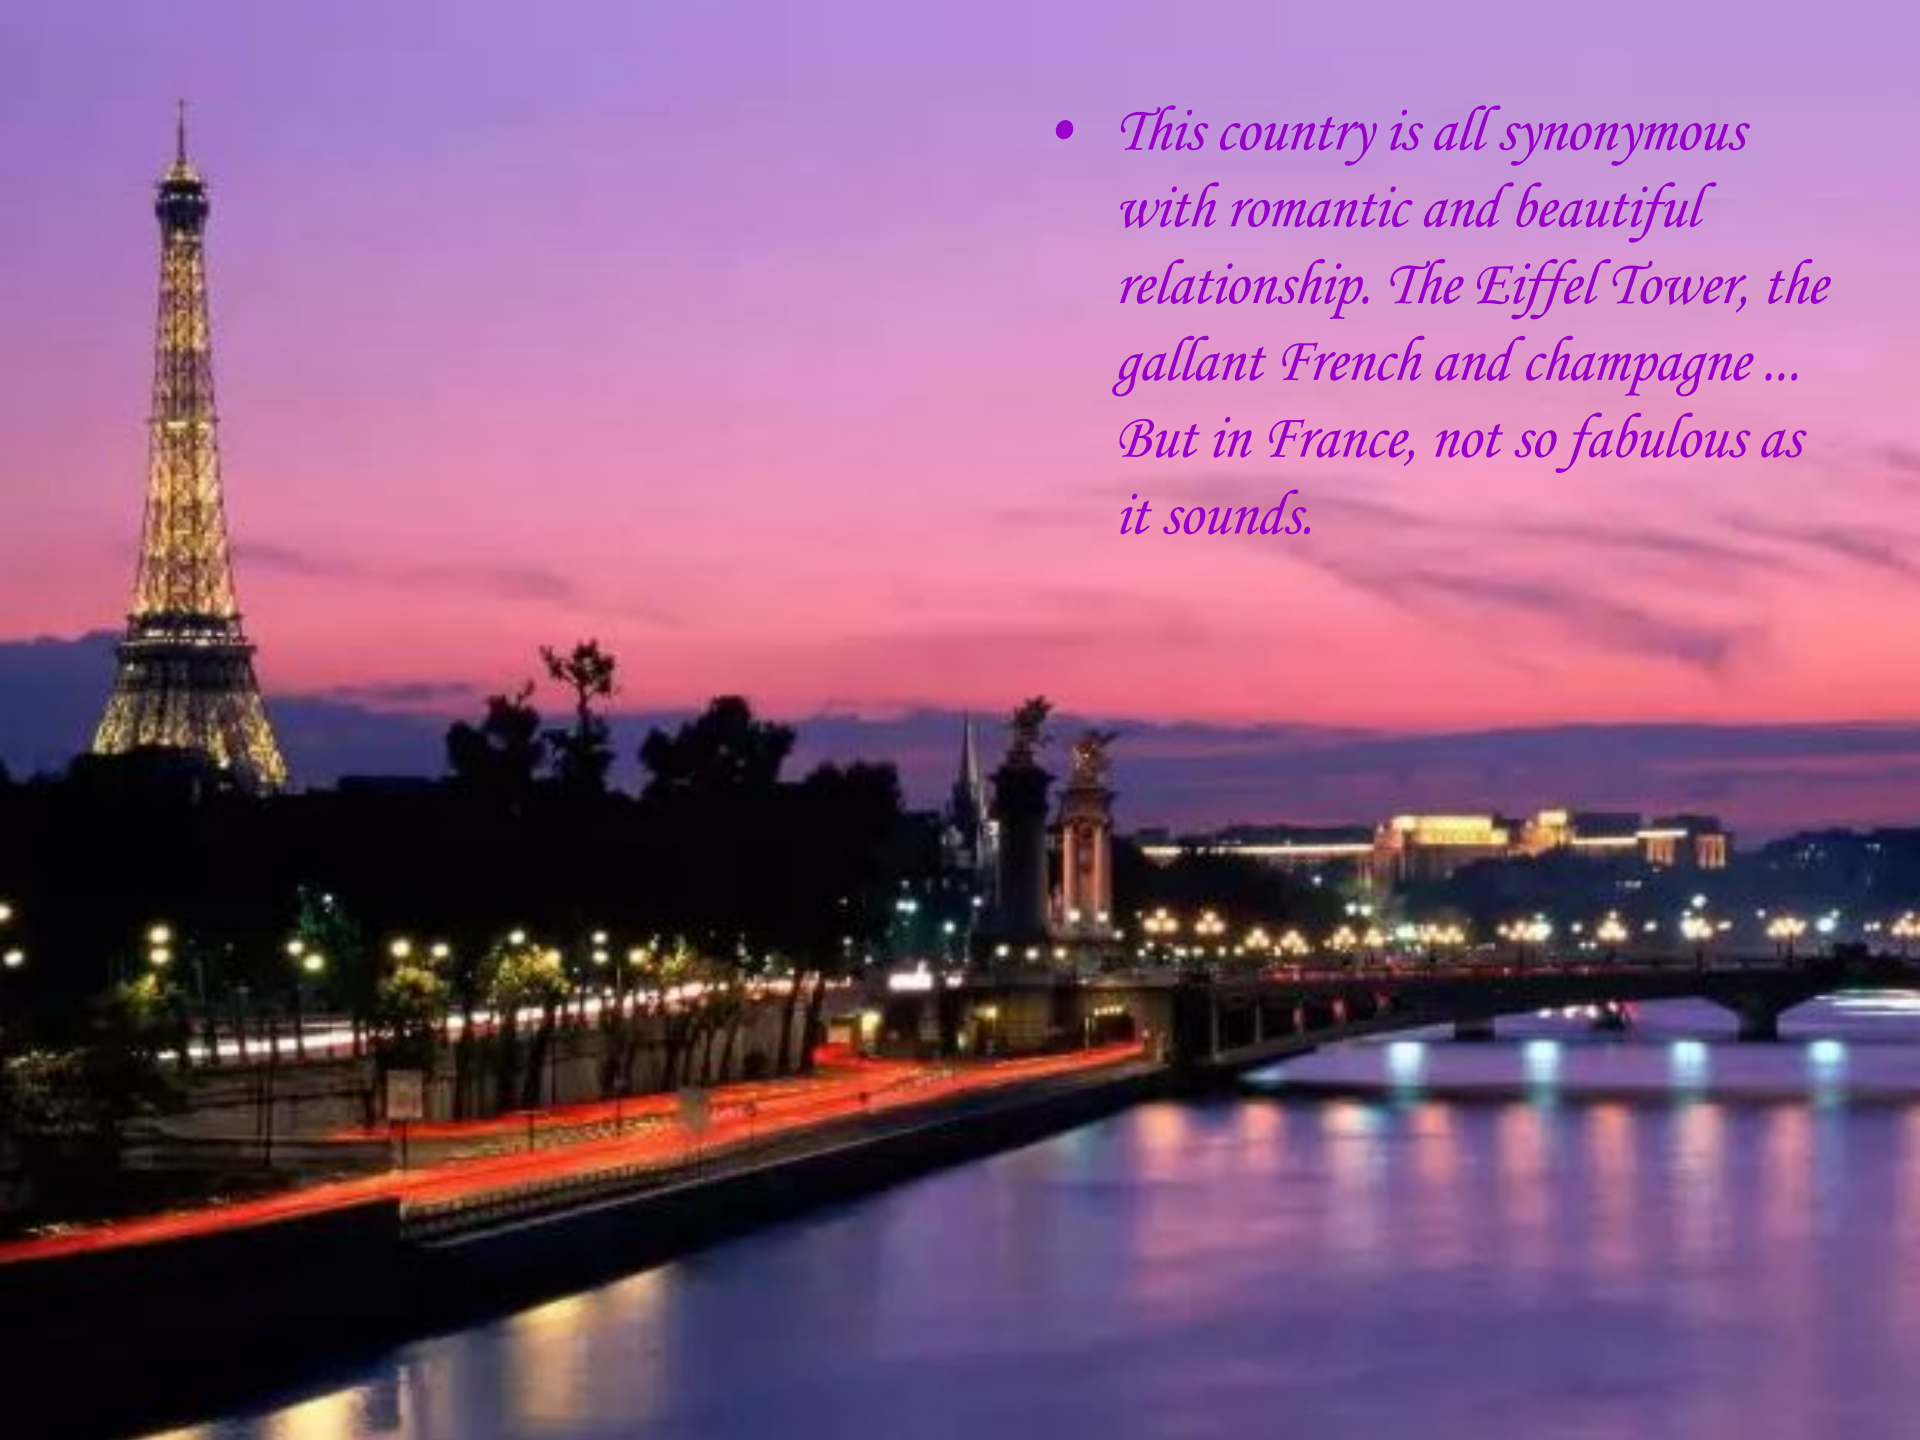

- **The British did not welcome the initiative of the women in the relationship. Invite to visits should only men. Romantic meetings often take place in bars or pubs.**
- **Residents of England are not willing to spend the first days of dating the girl money. They need to be firmly confident in his sympathy for the new girlfriend. Traditionally, on the first date a man pays for everything. And then the bill is divided equally.**

- **The English have not decided to agree to date on Friday and Saturday. These two days are the time of partying in the company. If a man has to meet on Friday, so he had no friends, and he does not have a circle of friends! And that's unusual. Because in England friendship attach great importance.**
- **After the meeting a man usually accompanies the girl to stop (subway, bus, taxi) and very rarely home. Some couples might be sex on the first date, but in general it is not accepted here.**

- **Residents of England are able to take care of, especially when they are serious. They are willing to give flowers every day, arrange romantic surprises and even singing serenades under the windows ... But starting a family is not in a hurry. Life in England is very expensive, so a family, and the more you can give birth to a child only if there is a steady income: a kindergarten, school and university drop off tens of thousands of pounds**

- *This country is all synonymous with romantic and beautiful relationship. The Eiffel Tower, the gallant French and champagne ... But in France, not so fabulous as it sounds.*

- *The French themselves do not like romantic surprises and give flowers. On the first date is usually invited to lunch or breakfast. Invitation to women for dinner is considered disrespectful to her. Many French are willing to pay the entire bill, but only if the woman they really like it. And if not, then for your coffee you have to pay yourself.*

- *In France, a very common attitude, we called civil marriage. To a large extent due to the fact that in this country divorce rate is higher than in other European countries.*

- *Early marriages are rare in France, as well as early pregnancy.*

- *Head of the family is considered to be a man. But it should not be the main earner in the family. According to statistics, in France 45% of couples, women earn more than their men.*

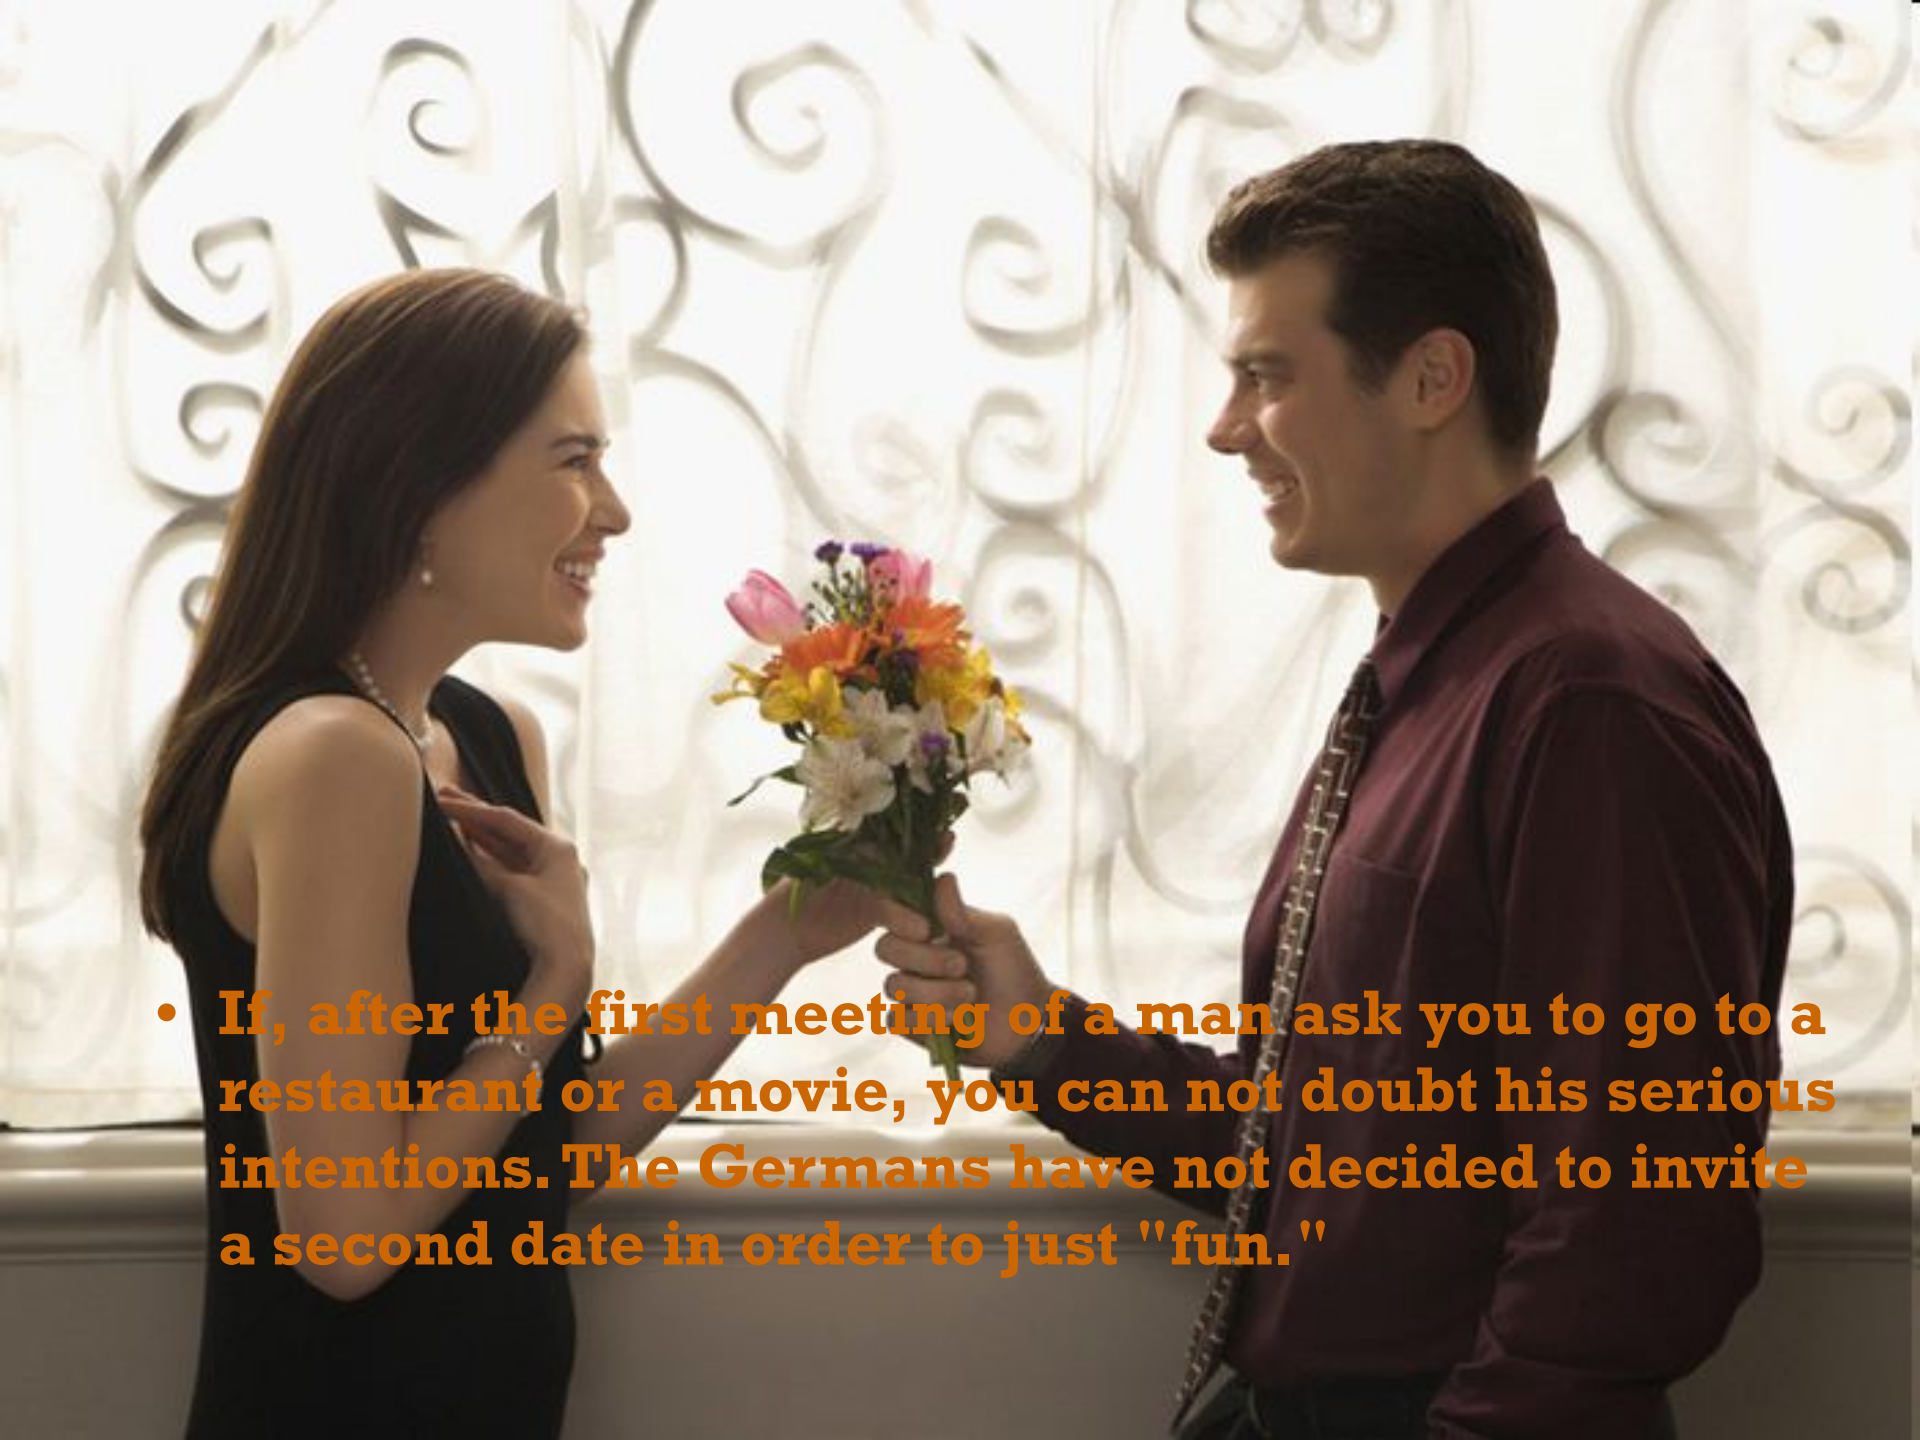

- **Here, the "marriage of convenience" is particularly relevant. German bride is often older and richer than his bride.**
- **In Germany, almost no concept of "gigolo". The Germans just can not imagine how you can live off of women. And they try to avoid careerists. They think it is unacceptable when a woman is financially or socially successful than her man.**

- **However, in this country is normally perceived women's initiative. If you like a man, you can invite him out on a date first. This is usually done through SMS-message. It's not romantic, of course, but in German practical.**

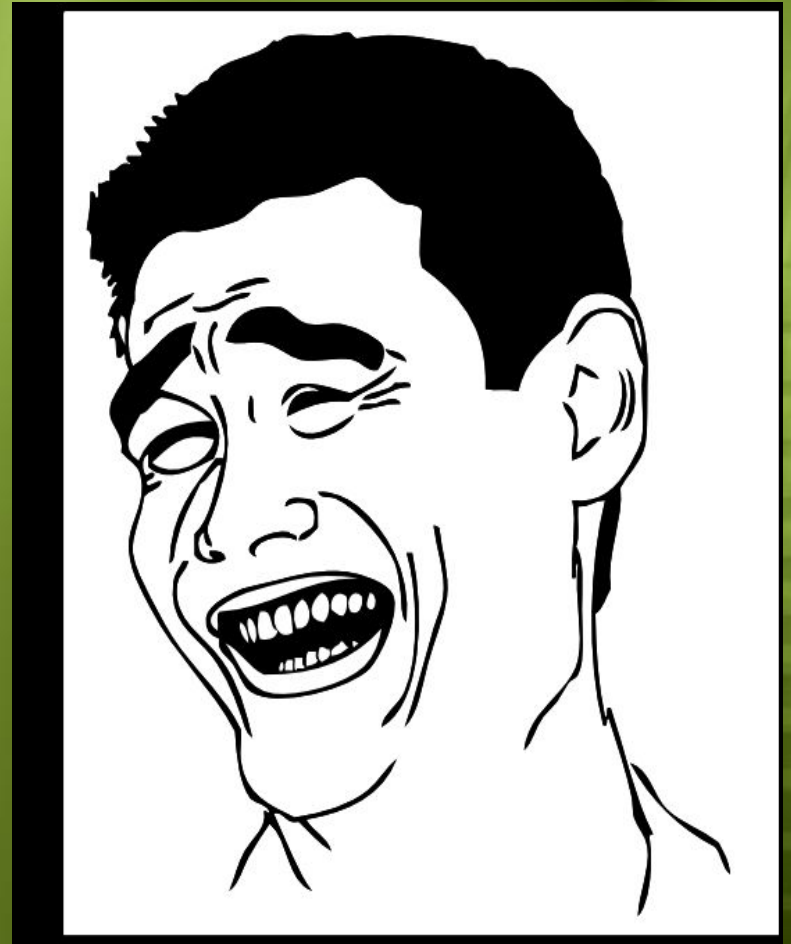

- **If, after the first meeting of a man ask you to go to a restaurant or a movie, you can not doubt his serious intentions. The Germans have not decided to invite a second date in order to just "fun."**

- In China, a man on a first date is a best friend who praises him all night, telling how he is kind and smart. Interesting, but to pay the bill is usually taken just one. The Chinese are very generous people and always pay the bill yourself, and unbeknownst to the girl.

- The Chinese talk loudly and joking, so the meeting is usually prescribed in cafes and restaurants. After dinner, men are always escorted her companions home.

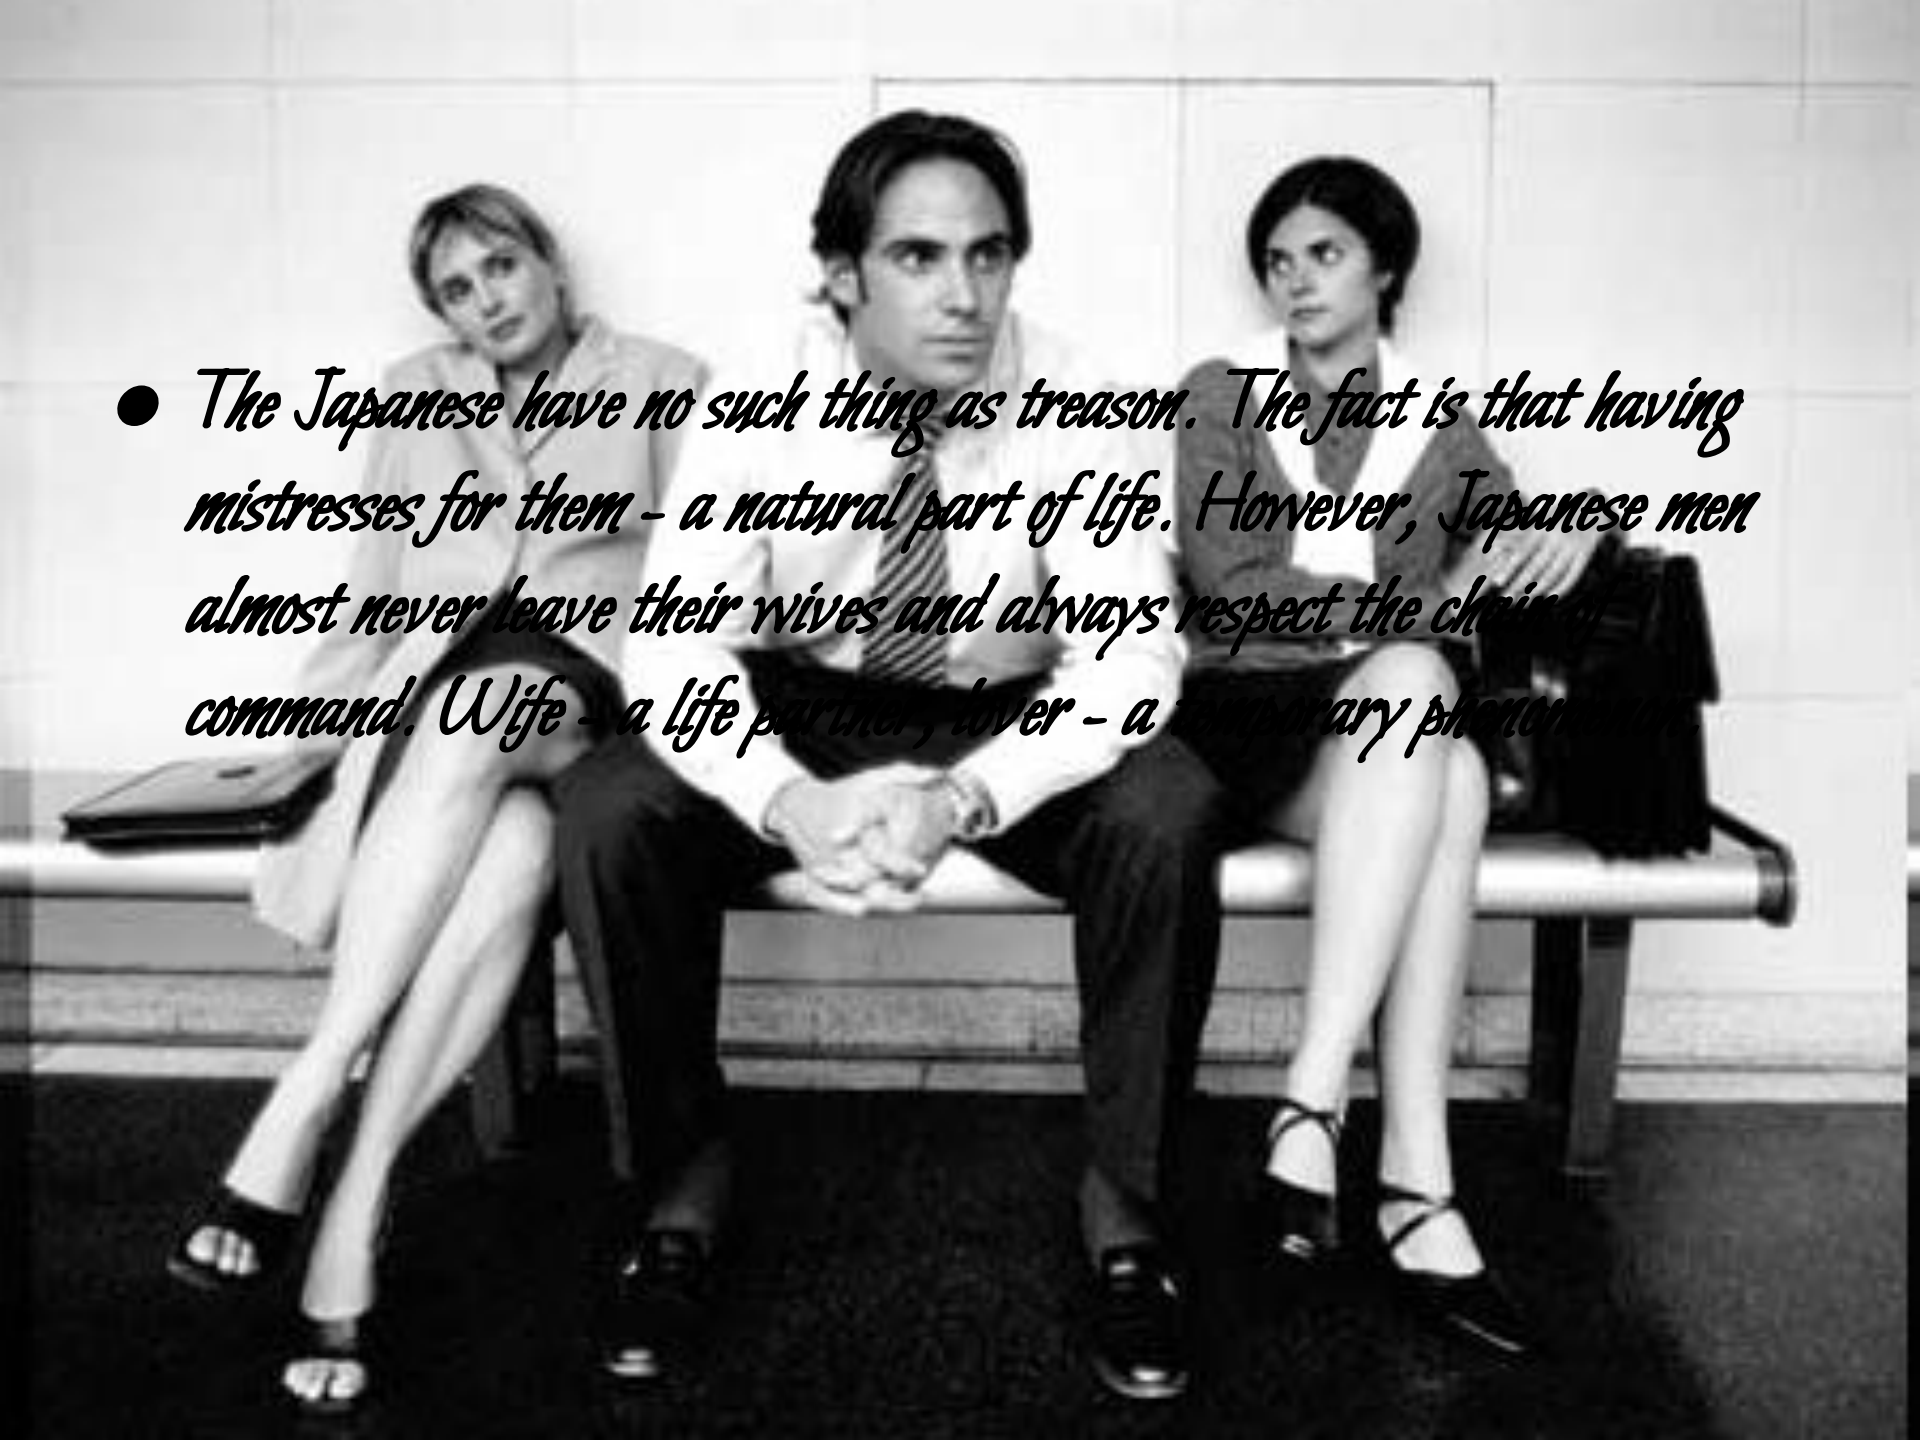

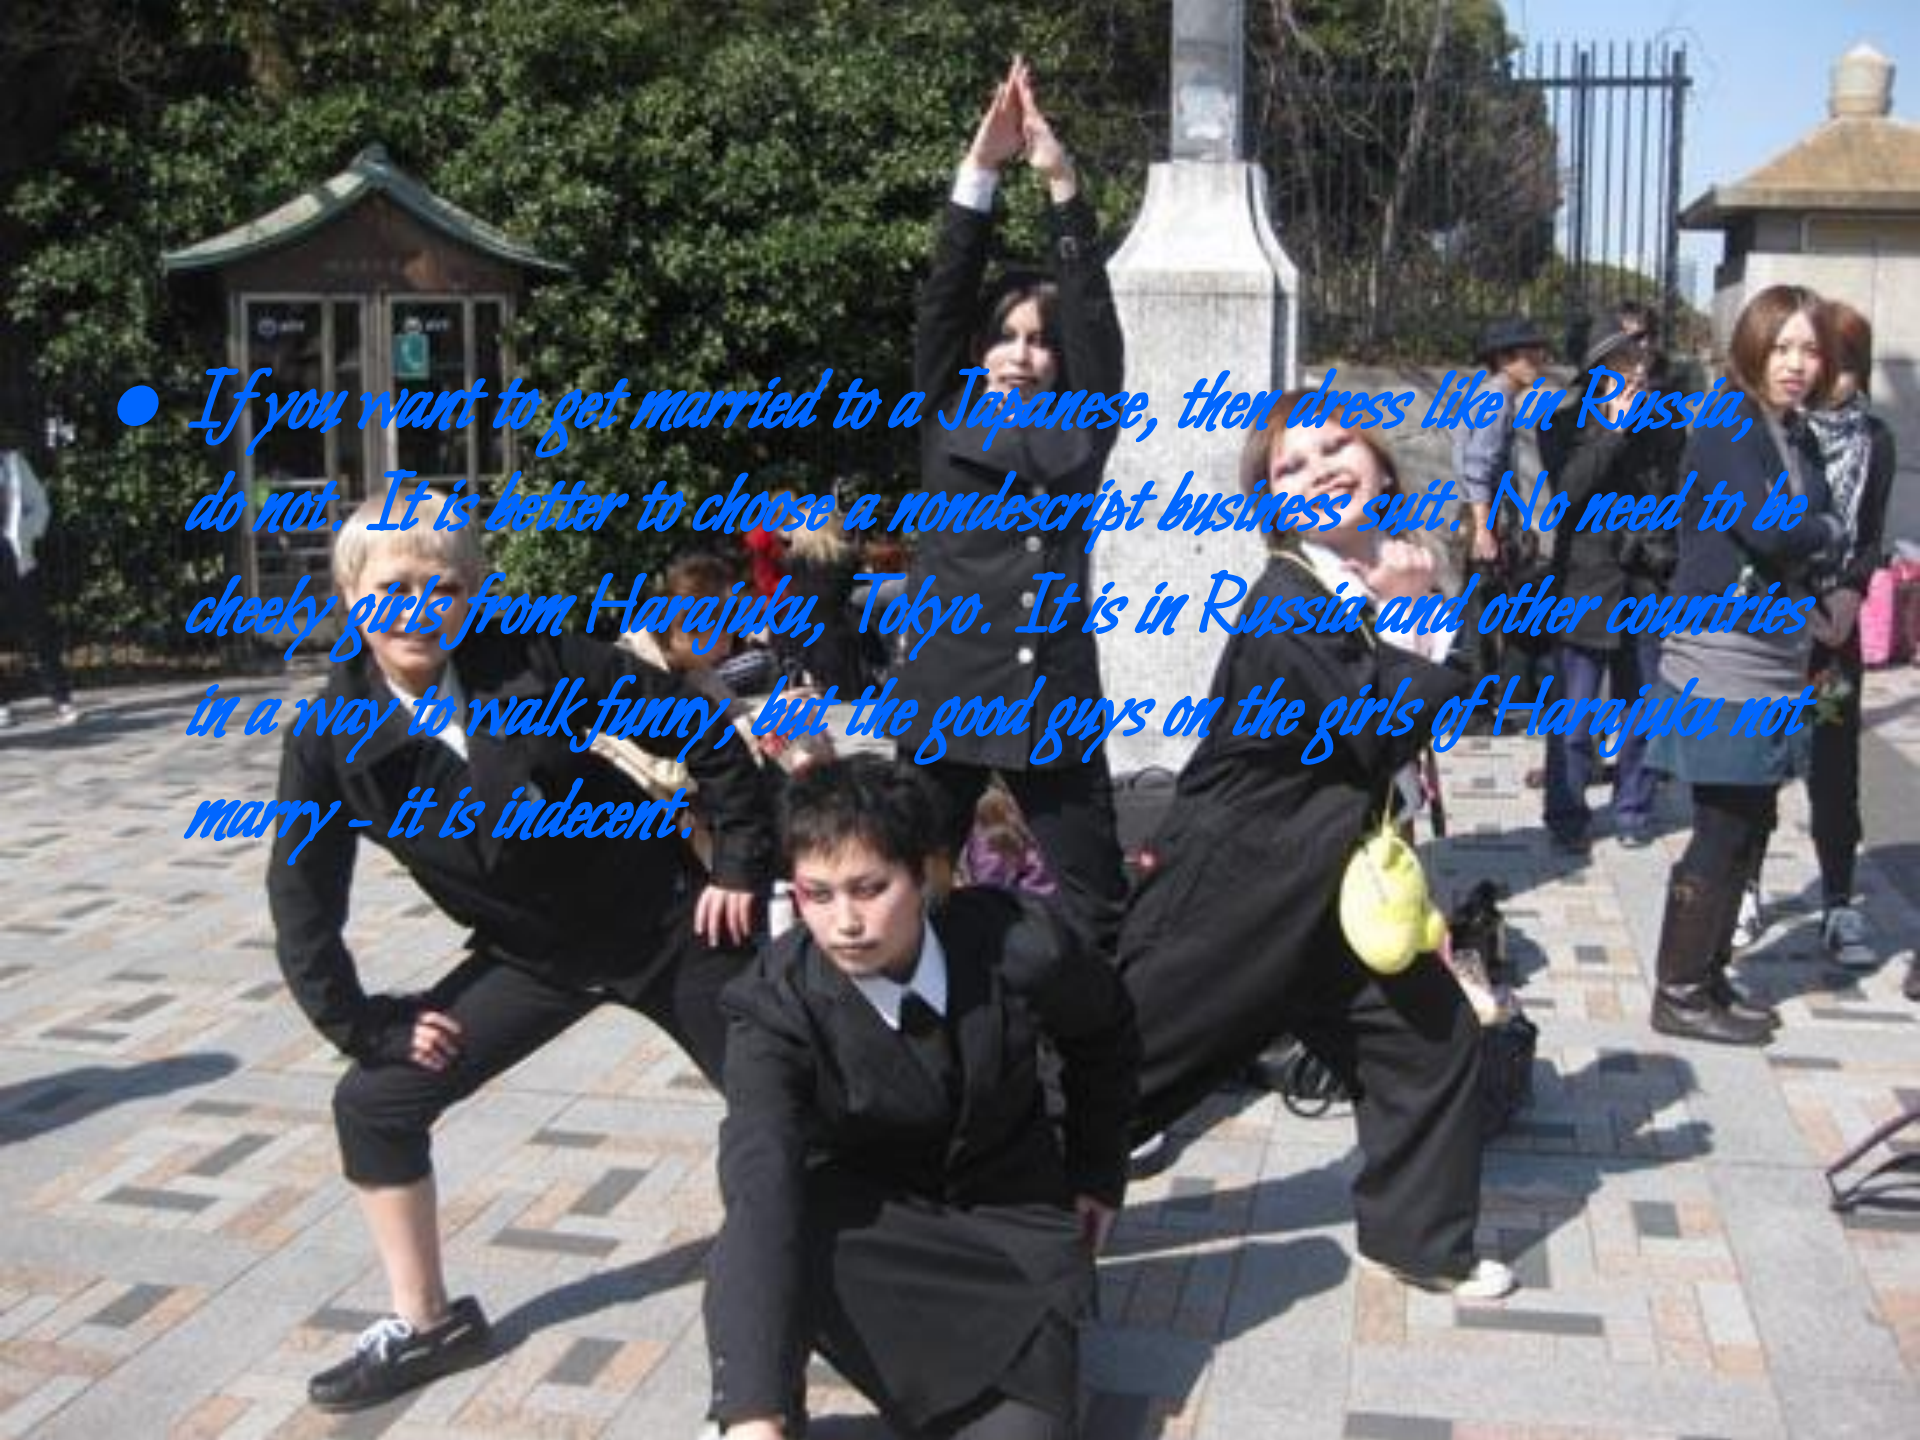

- Interesting fact: the girl coming to visit, the Chinese soon begins to bring her home their personal belongings: a towel, toothbrush, computer, clothes ... And this is done without asking the permission of the girl and without giving intentions. In this case, the relationship can only arise on the intima and not even out of the question! And it does not mean that the Chinese undecided, and you were his ladylove. Tomorrow it may disappear forever and leave you with your bags. But when a man is serious, the best

- 
- A photograph of two young women standing in a crowd at what appears to be a Japanese festival. The woman on the left has short, straight black hair with bangs and is wearing a white short-sleeved shirt. She is looking slightly to her right with a neutral expression. The woman on the right has long, wavy blonde hair and is wearing a black sleeveless top. She has a red octopus tattoo on her left shoulder and is holding a small, silver, flip-style mobile phone to her ear. She is looking towards the camera. The background is a blurred crowd of people, some wearing traditional festival attire like a white hat and a dark vest, under bright daylight.
- *If you were not born in this country, for the Japanese it will be very difficult to get married.*

- 
- *The Japanese have no such thing as treason. The fact is that having mistresses for them - a natural part of life. However, Japanese men almost never leave their wives and always respect the chain of command. Wife - a life partner, lover - a temporary phenomenon.*

- *If you want to get married to a Japanese, then dress like in Russia, do not. It is better to choose a nondescript business suit. No need to be cheeky girls from Harajuku, Tokyo. It is in Russia and other countries in a way to walk funny, but the good guys on the girls of Harajuku not marry - it is indecent.*

- *Australian men usually learn on the Internet. Virtually all free Australians registered on dating sites. Especially popular in Australia Russian girl. They are considered by the best wives. Russian-Australian unions are very strong and the couple is usually very happy.*

- Russian women are valued not only for their ability to cook, but also for his ability to remain in all women, including clothing. Australian women are not as carefully monitored for the appearance, wear simple and comfortable clothes, so Russian women

- In Australia, women were not accepted enthusiastically look. Here the women do not speak of compliments, as this could be seen

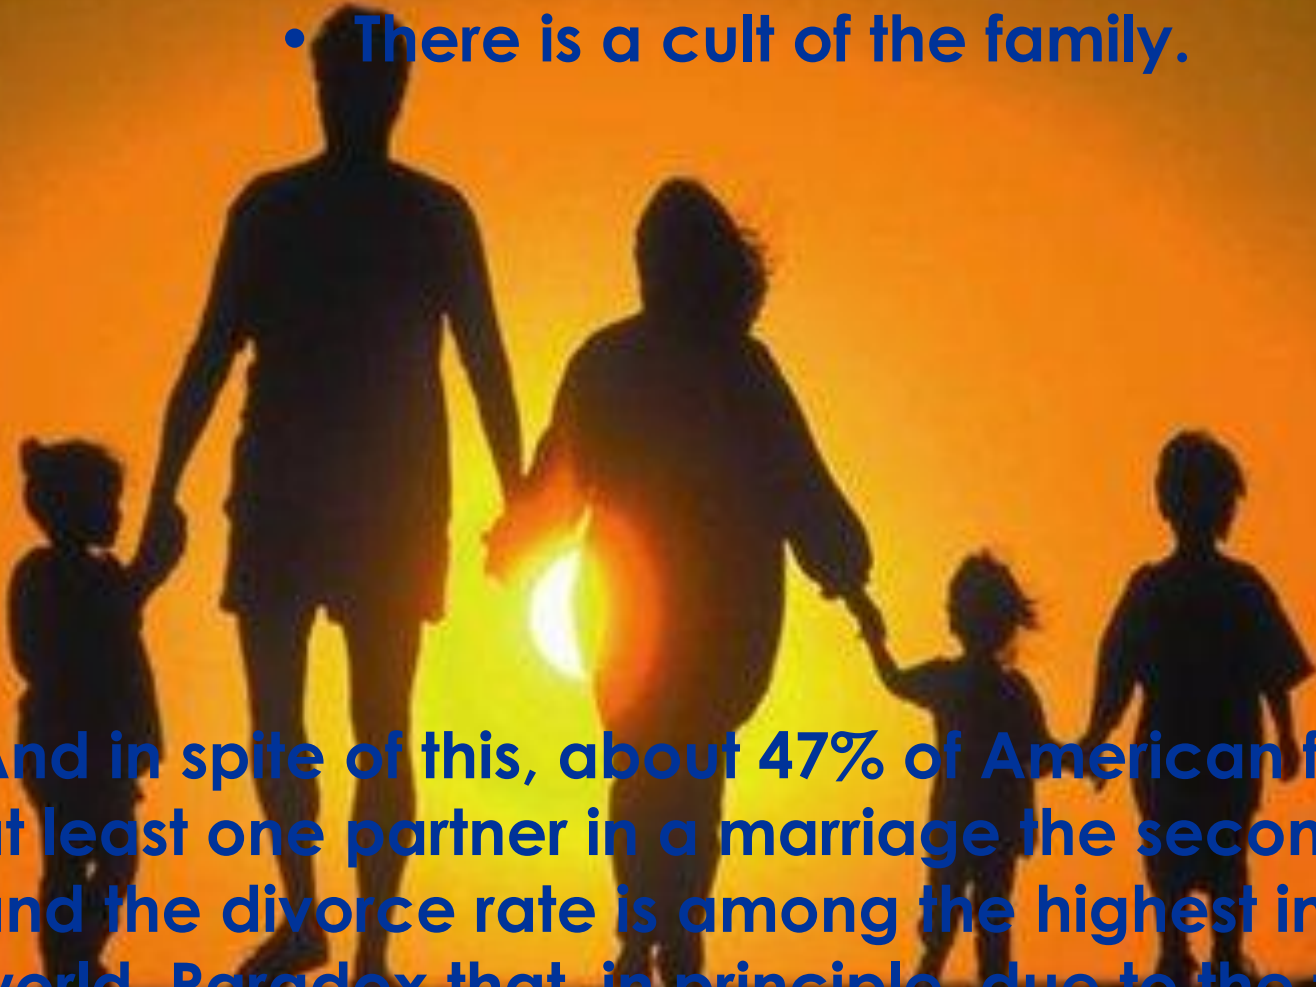

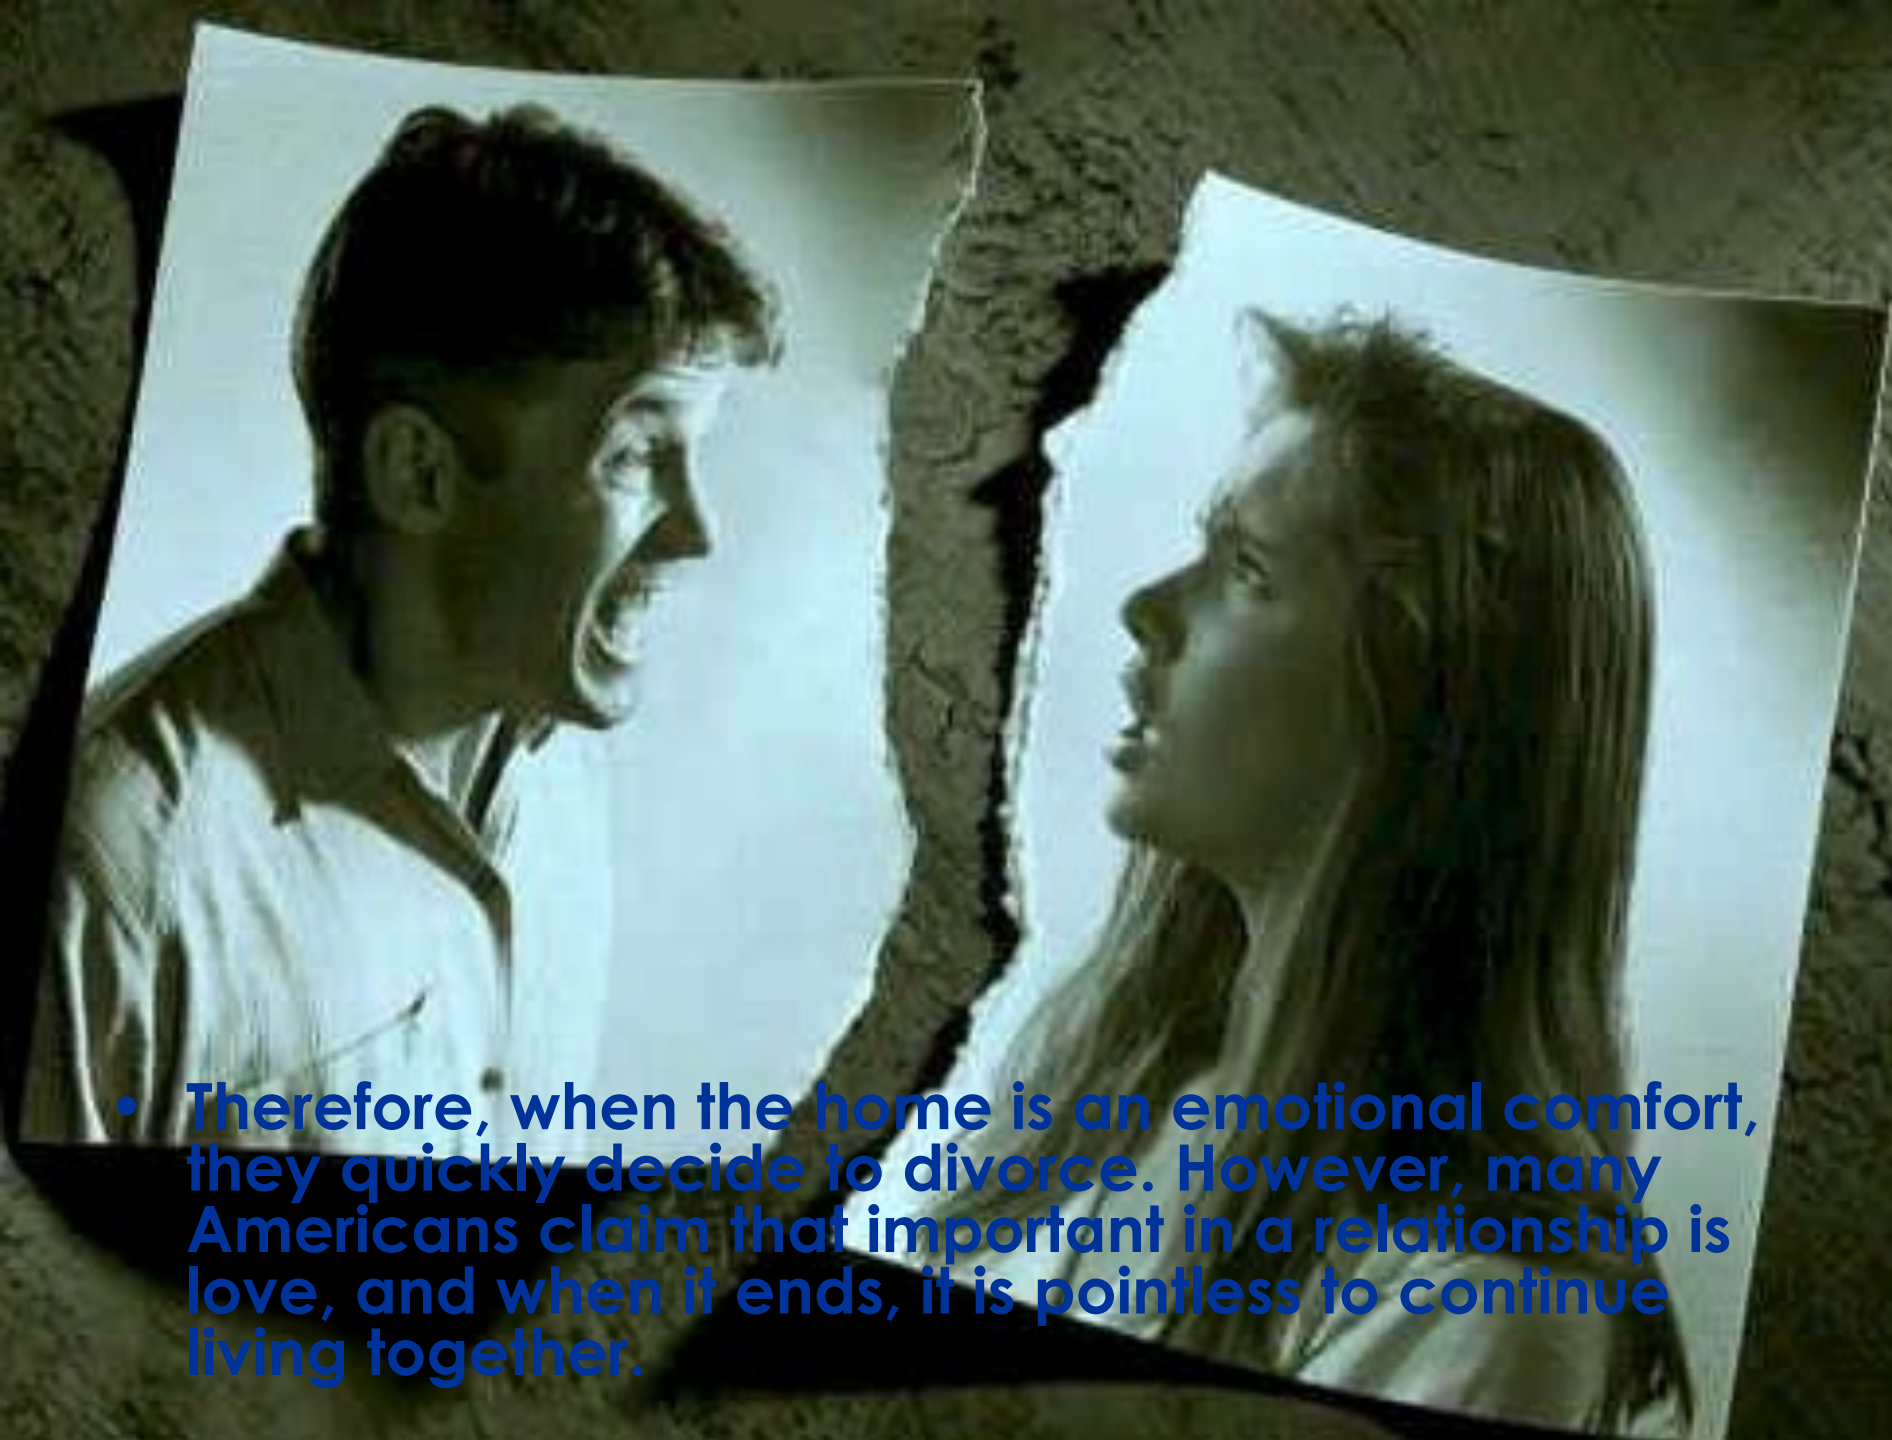

- And the marriage of Australia are quite pragmatic. Passion for Australians is more important than adequate partnership and mutual respect. Australians are serious about marriage, family, and very rarely get divorced. All of this is

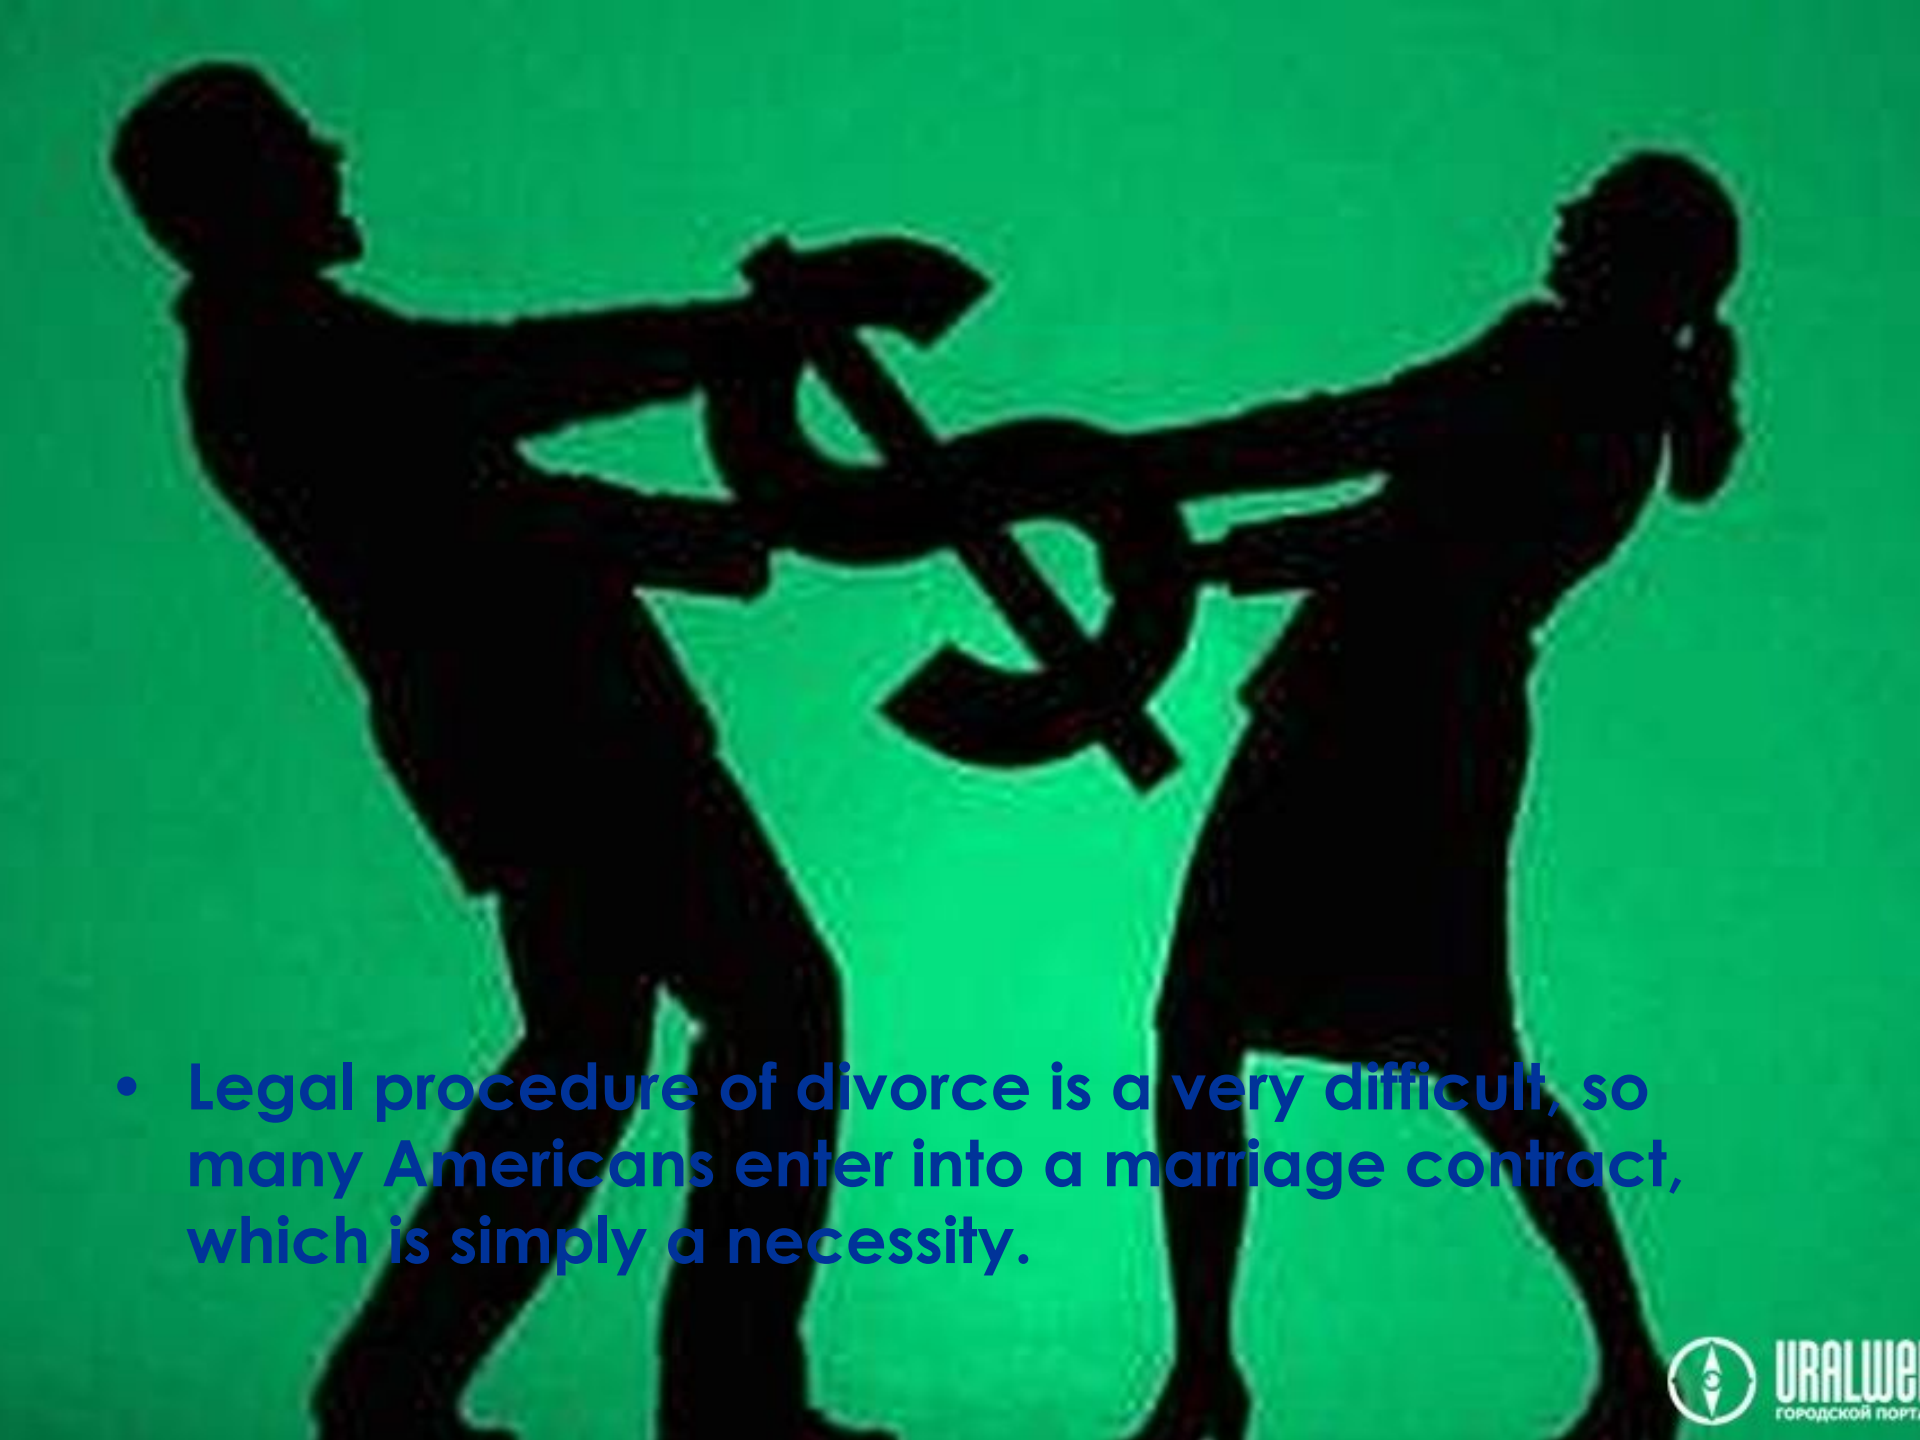

- **There is a cult of the family.**

- **And in spite of this, about 47% of American families at least one partner in a marriage the second time, and the divorce rate is among the highest in the world. Paradox that, in principle, due to the fact that U.S. residents appreciate the happy family model.**

- Therefore, when the home is an emotional comfort, they quickly decide to divorce. However, many Americans claim that important in a relationship is love, and when it ends, it is pointless to continue living together.

- 
- Legal procedure of divorce is a very difficult, so many Americans enter into a marriage contract, which is simply a necessity.

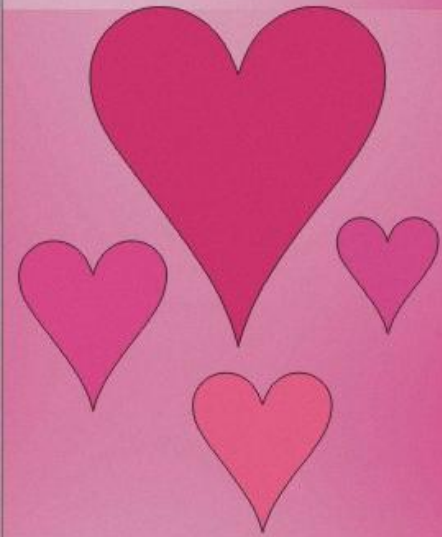

- Among U.S. men meet inventors and romance, but they are very few. Traditional American date consists of rather monotonous set of entertainment: a concert / movie + dinner / bar. The sequence does not matter.
- In America, the escort girls home is not accepted. They leave in his car or taxi, even after jointly held the night.

- **Blind Date is a popular way to explore the USA.**

- **Regarding sex, as it can be on the first date and the next. For Americans feel are important, as they explain - "chemistry." It only affects the further development of relations.**
