

***INZA**

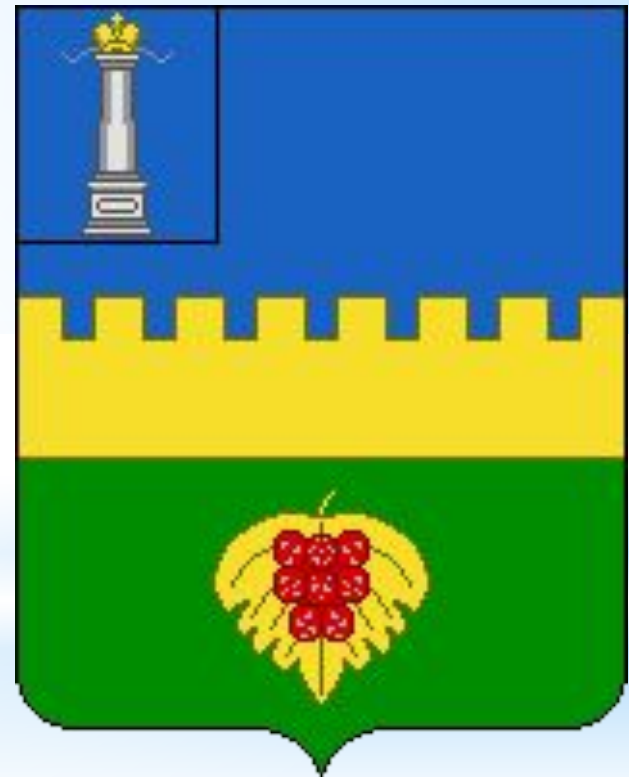

*THE EMBLEM OF THE CITY

until 2007:

since 2007:

Founded in 1897 as the railway station "Inza" the new line of the Moscow-Kazan railway in Karsun district of Simbirsk province.

* Bit of history

*Thumbing through the pages of the past

The name of the river Inza, presumably from the Erzya "inteen" - "crimson".

The construction of the city began when the Soviet power: 1920 - built the first steam power plant, 1925 - launched the second power plant, 1929 - built trepiline plants. Regional center since 1929.

Now within the city residential Kirovka - first village, founded in 1676 "sluzhilye people headed by Eusebius Whale with associates."

In the years of the civil war at the station Inza was the headquarters of the 1st Revolutionary army under the leadership of SCIENCES. Tukhachevskogo.

In 1946 Inza received the city status.

The city Inza - administrative center inzen region Ulyanovsk region.

The third largest city in the area.

The city is situated on the river Inza, 167 km South-West from city of Ulyanovsk.
