Что такое мейл-арт?

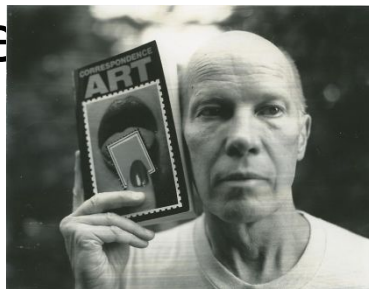

Мейл-арт – это искусство делать почтовые открытки или конверты своими руками.

Это название произошло от двух английских слов:

mail – почта

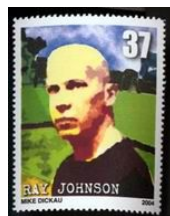

art – искусство

Мэйл-арт движение зародилось в Америке в середине прошлого века.

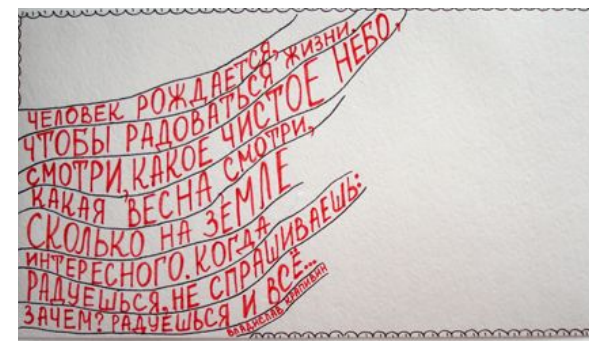

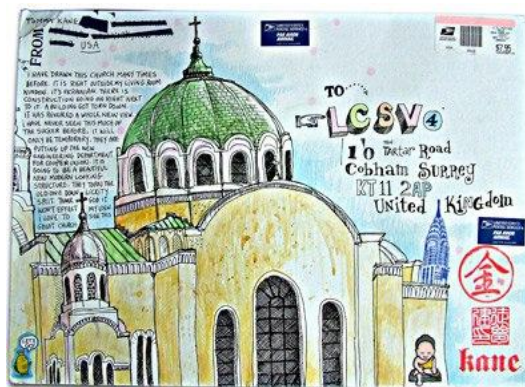

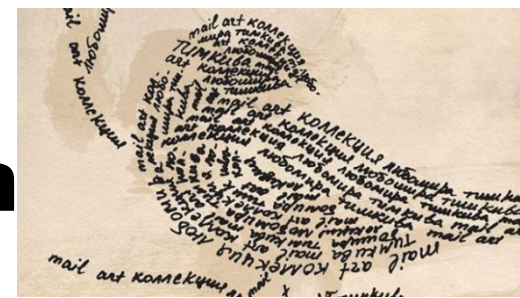

Вот основные из направлений мэйл-арта:

- Мэйл-арт конверт
- Марки

- Оригинальная открытка

Главное правило мейл-арта

На открытке должны быть почтовая марка и штемпель почтового отделения, то есть она должна прийти по почте. Ее нельзя передавать из рук в руки!
