

Seasons in Our Region

Made by
Knutova Nadya
Form 6 A

Winter

It is winter.
The weather is usually snowy, frosty and cold.
Sometimes it is windy, but sunny.
Children like skiing, skating and playing snowballs.
As for me, I like skating.

Spring

**This is spring.
The weather is usually warm, sometimes windy,
sunny and stuffy.
Children like riding a bike and going
roller-skating.**

Summer

**This is summer.
The weather is usually hot and sunny,
sometimes it rains. The temperature is usually
20 degrees above zero.
All people like swimming in the river.**

Autumn

It is autumn.
The weather is usually humid and cold.
Sometimes it is sunny, but still frosty.
I hate autumn.

Thank you for attention!

As for me, I think all seasons are important.
