

India

- ◆ Here you can see the official flag
- ◆ and symbol of this wonderful country.

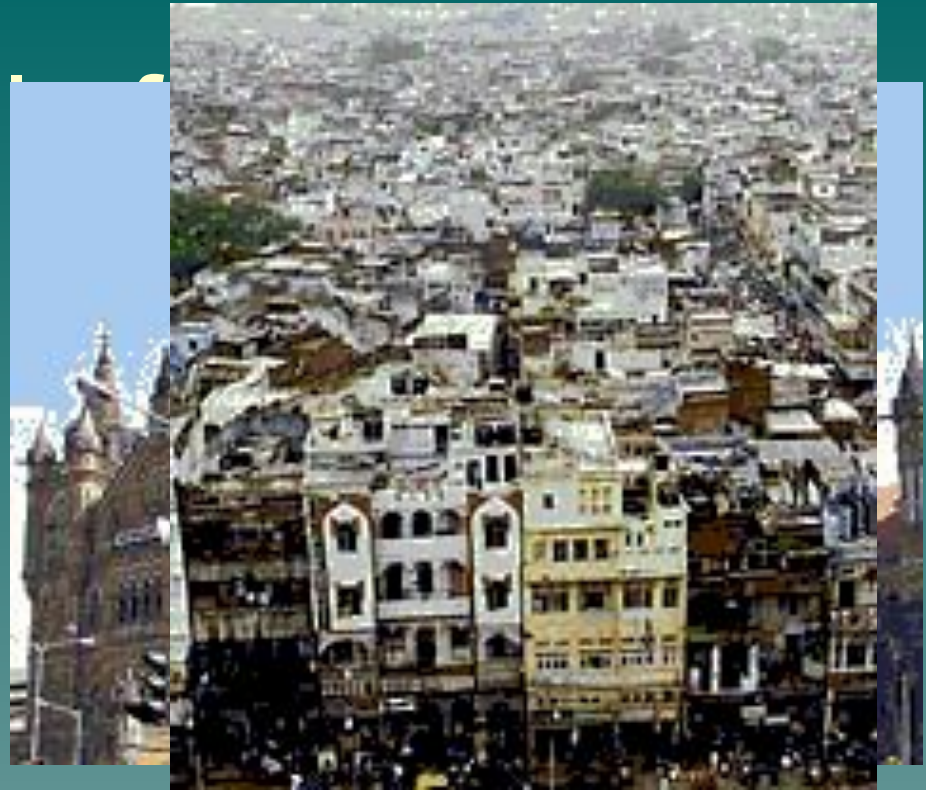

- ◆ India is a very specific place where every man can rest, recover his health and achieve mental balance.
- ◆ It's interesting that the hottest place in the world, the coldest place in the world, the rainiest place in the world and the driest place in the world are in India.

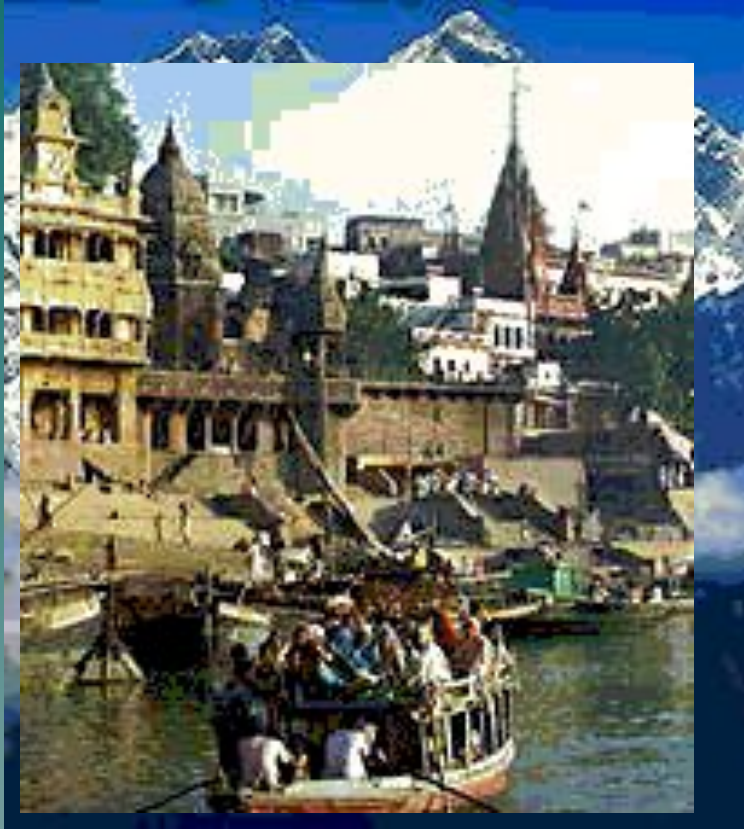

ta

- ◆ The symbol of modern India is Bombay city. It's the biggest port and industrial center in India. It's also a business and commercial center.

- ◆ There is “Indian Hollywood” in Bombay. “Indian Hollywood” is the place where you can see the biggest cinema factories producing 800 films a year.
- ◆ The main tourist center of India is Hoar. It’s a modern health resort.

- ◆ The official language is Hindi, but there are a lot of dialects in India, so many people speak English.
- ◆ India is near with Nepal, Butane, Bangladesh, Myanmar, Sheri - Lance, Maldives, Pakistan, Afghanistan.
- ◆ Geographical position: in the South there are Himalayas.
- ◆ The river Gang is very important for the country. There are the Ind, Brahmaputra, Narmada, Godavary, Krishna rivers.
- ◆ In the South there is Plato Dekan.
- ◆ India is washed by the Arabian Sea, The Bengal Gulf, the Indian Ocean.

- ◆ India is a country with many extremes:
- ◆ it has old traditions and advanced technologies;
- ◆ it is a country with 1,027 milliard people.

- ◆ Cow in India is a sacred animal, so Indians do not eat beef.

- ◆ India is famous for its tea gardens...

- ◆ And its interesting buildings.

- ◆ And it's beautiful women...

- ◆ ***India is a really beautiful country!***
- ◆ ***Come and see it yourselves!***
