Working day of the Queen

Queen begins her working day at 10 am and ends no earlier than 11 pm. The first thing that Elizabeth does in the morning - looks at the daily British newspapers. Each meets with the ambassador, a bishop, a judge is at least 15 minutes.

Evening work of Elizabeth is made up of meetings with the

The little time that the Queen is away from prying eyes and free from political affairs, she spends with family, busy with her favourite dogs.

One of the funniest habit is that the Queen takes the bath not alone, but always with a rubber duck - a favorite toy, which the servants affectionately calls "the heir to the throne."
