

So, let's begin our lesson.

The sky is grey  
And flakes are falling  
I hear the snowman  
calling, calling.

Outside it's wind

Dad's car is stalling  
Next door my friends are

Calling, calling.

Sliding, sledging

And, oh, snowballing

The winter winds are

Calling, calling.

What's the weather  
like?

nice

snowy

wet

What are the children  
doing outside?

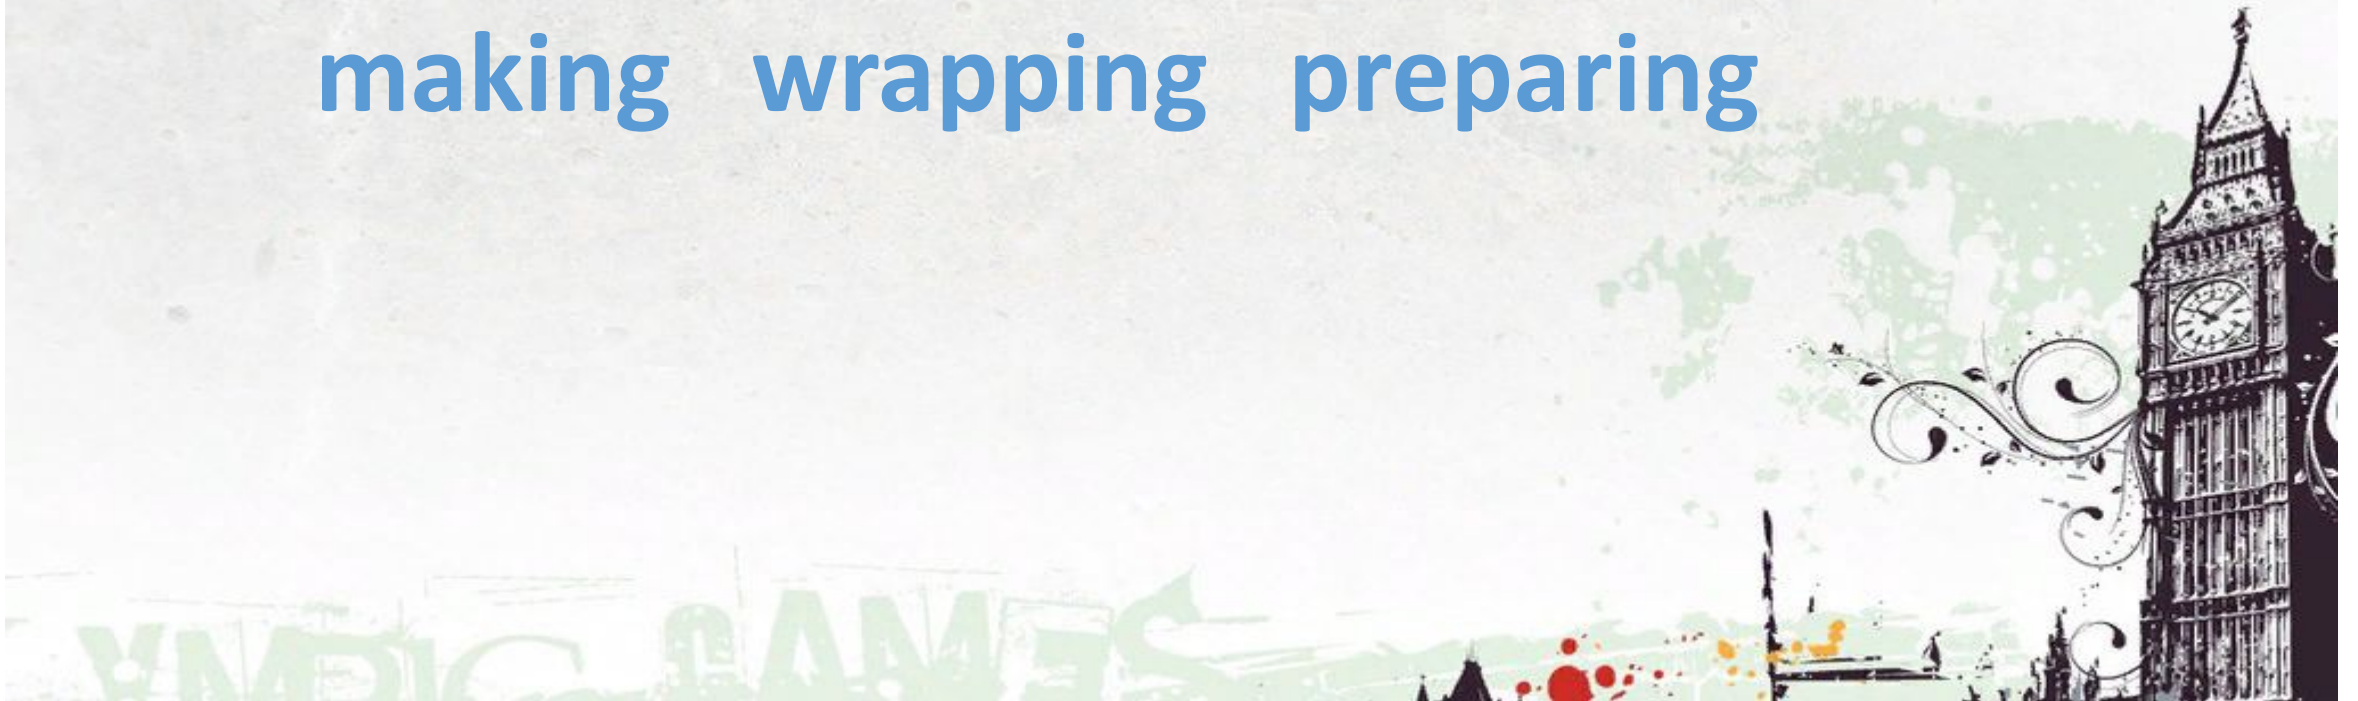

playing hockey

playing tennis

playing snowballs

decorating watching listening  
playing hanging making  
making wrapping preparing

**Что общего у всех слов?  
Когда используем в речи V  
ing?**

**Imagine, you are preparing for the party.**

**What are you doing now?**

**What is your doing?**

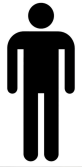

**Compare.**

**I am wrapping the presents now.**

**I was wrapping the presents yesterday at 5.**

# Past Progressive

**was/were Ving**

yesterday at 5  
from 5 to 6  
all day long  
all evening

**What new tense have you learned?**

# Reflection

Choose the drawing that reflects your mood.

The lesson was interesting.  
I worked myself without teacher's help.

The lesson was interesting.  
I worked with a little help from my teacher and friends

The lesson was interesting.  
But it was difficult for me.

**Thank you for attention!**
