

MY STYLE IN CLOTHES

- Fashion is a thing that you have to keep up with, whether you like it or not. I think it is important to look attractive.

- First of all, clothes should suit you and suit the occasion.

- It should put you in the right mood for the day. To my mind, you should choose things according to your personality and character.

At school we are not allowed to wear sport or bright clothes. We have to wear clothes of formal style. Usually I wear a jacket, a blouse and trousers or a skirt. But I do not like being dressed that way, as many other students. Really I prefer smart clothes to formal.

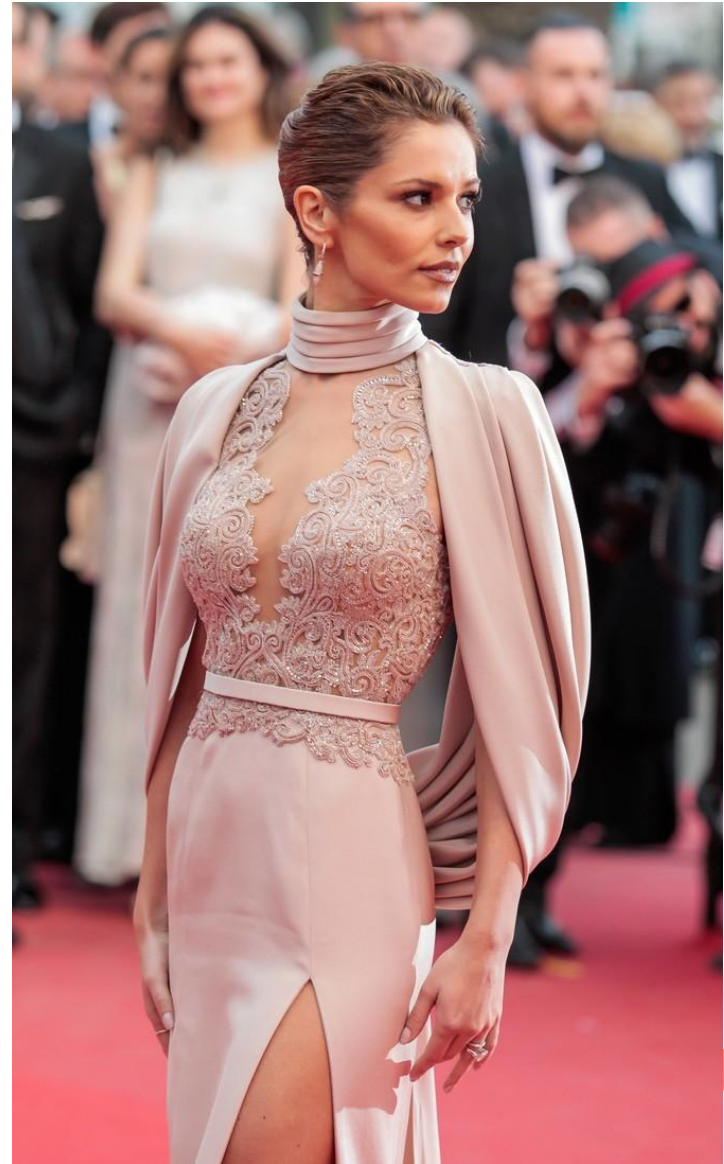

- I enjoy wearing sport clothes, because I feel comfortable in it. Also on my list of likes are casual things.

□ As for colors, white and yellow are my favorite ones.

- As for me, I like when people look well-dressed.
