

HAPPY BIRTHDAY

**Birthday, birthday what a fun – a whole year passes – then you are one.**

I was born on the 7<sup>th</sup> of April.

 This year I turn 12.  
I'd like to have a birthday party with many friends.

Birthday, birthday, a cake for you!  
A whole year passes- then you are 2.

We drink tea or juice  
and eat a very tasty  
birthday cake.  
Usually my mother  
bakes it.

**Birthday, birthday, presents, tea –  
A whole year passes-than you are 3.**

My friends bring a lot  
of presents.

I am very happy.

I enjoy getting presents

Only look at my gifts!

**Birthday, birthday – dances and something more!  
A whole year passes – then you are four.**

We spend the time nicely.

We dance, listen to music.

We tell jokes and laugh.

The day is amazing!

Birthday, birthday – so long, bye-bye!  
A whole year passes –then you are 5!

Many happy returns on the day!

Wish you all the best!

Happy birthday to you!

Be happy, let your dreams come true!

Best wishes on the day!

To my best friend!

With love, your friends!

Birthday, birthday – all toys are mixed.  
A whole year passes - then you are six

- When is your birthday?
- How old do you turn this year?
- Would you like to get any special gifts?
- Will you have a birthday party?
- Who will you invite?
- What will you do?
- Your party will be great, won't it?

# Describe the birthday party

# When is your mother`s birthday?

Do you know how old your mother is?

When is her birthday?

When did you celebrate her birthday?

Did your father prepare many tasty dishes?

Did she get many presents?

What are her favourite flowers?

Was she happy to have a party?
