My dream house is a house of the future.
My house is flying!
The house has three levels.

On the first floor there is a hall, a living room, a kitchen, a dining room and a bathroom. The furniture in my house is fantastic and comfortable.

The second floor has three bedrooms, a study (library) and two bathrooms.

On the third floor there is a lounge and a sports room. There are fantastic views from all the windows upstairs.

On the roof of my house there is a terrace with a small garden. Flowers in my garden are very beautiful.

I can travel around my house!
