Bob cut

A bob cut or bob is a short- to medium-length haircut for women in which the hair is typically cut straight around the head at about jaw-level, often with a fringe (or "bangs") at the front.

Bunches

Another name
for pigtails
worn braided
or unbraided.

Cornrows

A hairstyle originating from Subsaharan Africa, popularized by African Americans wherein the hair is braided into a series of locks that cling to the head.

Fringe (bangs)

Hair that is combed to the front of the head and cut at or above the eyebrows.

Highlights

The style involves highlighting or dyeing various thin sections of hair through hair coloring.

Ponytail

Long hair that is pulled into one or more sections held in a rubber-band(s) or by ribbon(s) anywhere on a head that is similar to a horse's or pony's tail. Ponytails are longer versions of pigtails.

Side Part Hairstyle For Men

A great looking side part men's hairstyle. To get this look you will want to use a product that has a bit of shine. Work a small amount of a shiny pomade into damp hair. Comb into place. To get some extra body use a blow dryer.

Messy Undercut Hairstyle For Men

This haircut features messy longer textured hair on top with short shaved sides. A modern take on the undercut.

Medium Length Haircut + Mid Fade

A great looking line up in the front. To get the hair to look like this on top you need to use a blow dryer and brush. You can blow dry damp hair with or without a light to medium hold pomade.
