

People and animals.

My cat.

Isaeva Alina 6A

This is my cat.  
Her name is  
Lusha.

She likes to hunt birds and insects, play with rope and sleep in different boxes: big and small.

Of course, like all cats she is born a cute and beautiful kittens.

My cat very  
fluffy, clever and  
deft.

But the most interesting and strange in her, something that she likes to drive me home from the street and protect the dogs that even very good.

I love my cat, and I care about her.
