Warm-up. Phonetic drill:

Look at this poem, read it and find the words with the sounds

[ei], [ai], [i:].

Some people often say to me:

“Have you decided what you want to be?”

I usually , “I don’t know?”

But it isn’t really so.

I want to win an Olympic race,

I want to see the Earth from space,

I want to travel to Katmandu

I want to be rich and famous too.

I want to be on Hollywood’s screen.

I want to invent a new machine,

I want to be very clever and wise,

I want to win the Nobel prize,

But most of all, I want to be

Healthy and strong, and nice.
