**Rain, rain, go away,
Come again another day!**

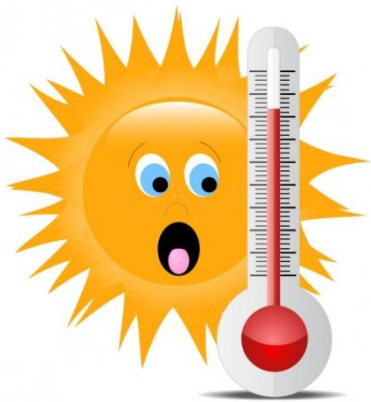

The background is a light blue gradient with several weather-related illustrations. At the top left is a dark, stormy cloud with bright white lightning bolts. To its right is a white, fluffy cloud with many small, light blue raindrops falling from it. Further right is another white, fluffy cloud with larger, dark blue raindrops falling. In the center, a bright yellow sun with rays is partially obscured by a white cloud. To the left of the sun is a full, grey moon. Below the sun is a white cloud with small white snowflakes falling from it. At the bottom left is a small cluster of green plants with brown seed pods. At the bottom right is a white, jagged icicle hanging from a blue surface.
