My school day

I get up at 7 o'clock, make my bed, have breakfast and go to school. I am a pupil of the 5-th form. I study at school number 37. I go to school six days a week. Our lessons start at 8:30 (half past eight) and last till 2 o'clock p.m. So we have 5 or 6 lessons a day. . Every lesson lasts 45 minutes. After second lesson we have lunch. Our lessons finish at 2 o'clock.

English, Kazakh, maths and history are my favourite subjects. I make good marks in these subjects. Each quarter is followed by holidays. Every pupil has a day- book where the teachers put down the marks, that pupil has earned at the class. During the classes pupils are to answer the teacher's questions, do some exercises, write sentences, count, read.

After every lesson the teachers give us home task . At the next lesson the teachers check them up. To do good at school one should make home task regularly, be active at the lessons and spend at least two-three hours every day studying.
