Hello!

I'm Pamela Harris. I'm twelve. I'm from Britain but now I live in Chicago with my aunt. My parents live and work in Africa. They are scientist. I was in Africa two months ago. I watched elephants. They weren't in the zoo! I have animals, and you? I have a cat. Her name is Lizzy. I think we'll have little kittens soon. I'd like to have a friend who likes animals as well.

Write back soon.

Pam.

Hi!

I'm Bill Thomson. I'm from Texas. I'm ten. My hobby is tennis. I don't have brothers or sisters, but I have lots of friends. My mother is a secretary. My father is a dentist. They will give me a dog as a present on Christmas Day. I will call him Rex. Last year my parents and I went to Europe. I liked Paris most of all because we visited Disneyland there. It was great! I want to have friends in Russia and visit your country some day.

All the best

Billy
