

WELCOME TO SCOTLAND

Scotland the beautiful

Scotland is a country in the UK to the north of England. Most of the industry is concentrated in Lowlands, in the Clyde Valley. Glasgow is the heart of industry.

Edinburgh Castle

The Castle hangs over the city like some Disney cartoon-but it is real. The Castle, in fact, is older than the city. It is not surprising that the Castle attracts a lot of tourists.

Holyrood Gate

A line of streets, which runs from the Castle to Holyrood House, is called the Royal Mile. Holyrood House is a big royal palace which is the residence of the Queen when she is in Edinburgh.

The Cannongate

The most picturesque part of the Royal Mile is the Cannongate, which gives a good idea of what the Old Town was like.

Greyfriars Bobby

One of the most modest and yet one of the best known monuments in Edinburgh is a monument to a dog called Bobby. Bobby lived near his master and his statue in the Old Town has become a symbol of devotion.

The Scott Monument

A monument 200 feet high rises among green trees. They call it a poem of stone. It is the Scott Monument. Inside it there is a marble statue of the writer, and of his favorite dog
