

The United States of America

The USA is a large country.

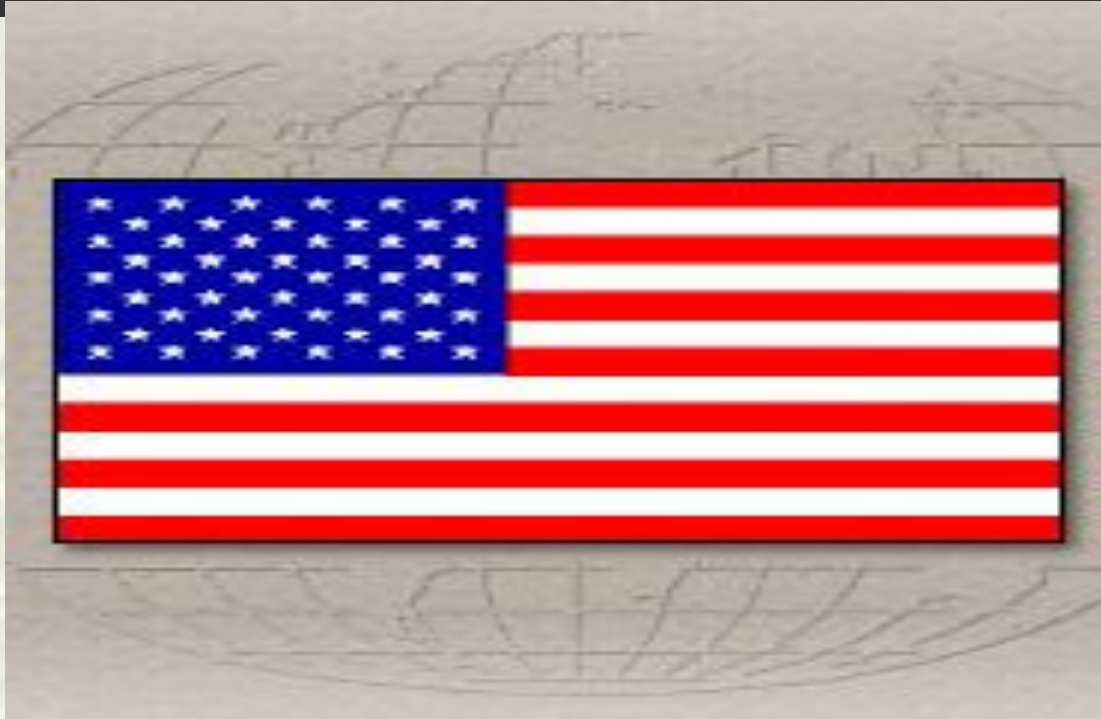

Its area is only a little smaller than the area of Europe.

The population is about 205 million people.

It consist of 50 states.

The flag of the United States is called “The Stars and Stripes”.

The 50 stars white on the blue field represent the 50 States and the 13 stripes represent the 13 original English colonies.

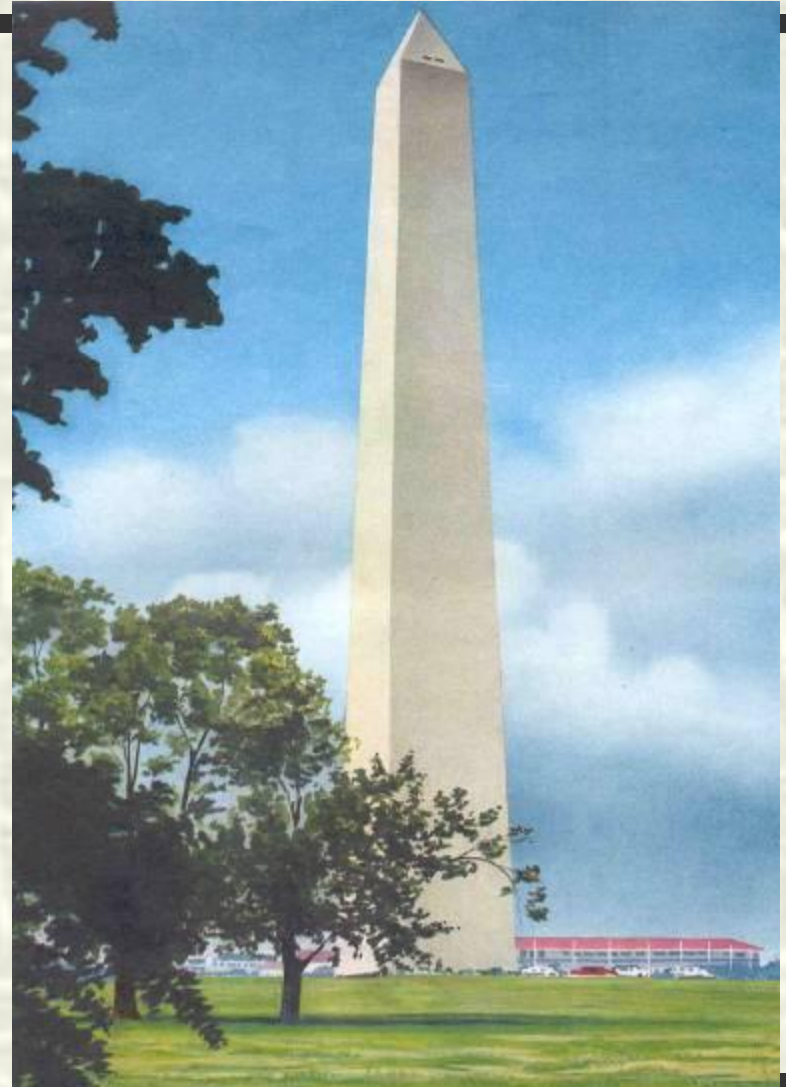

Washington *is the capital of the
USA.*

**George Washington
was the first
American President
and his name was
given to the capitol of
the young nation.**

The Washington Monument.

**It is a marble obelisk.
Inside the Monument
There are 898 steps to
the top. The Monument
was erected to the
memory of the first
President. It symbolized
the Nation's respect for
G. Washington.**

The Lincoln Memorial.

Abraham Lincoln was born in 1809 in the state of Kentucky. Life was not easy for the Lincoln family.

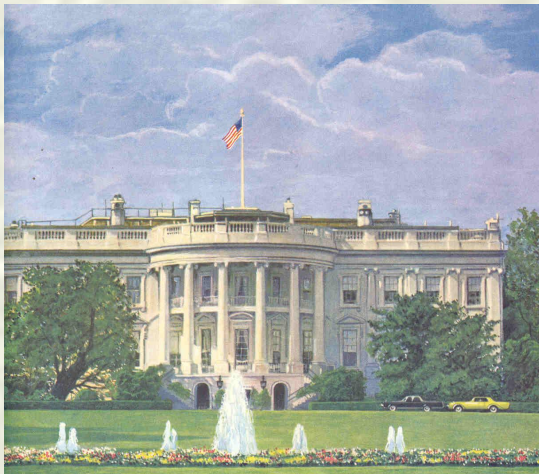

People made him the President of the USA.

A. Lincoln was wounded in 1865.

The Memorial was designed like a Greek temple with 36 columns. They represent the states in the Union at that time.

**There are many parks, gardens
and beautiful buildings, such as**

the White House

the Capitol

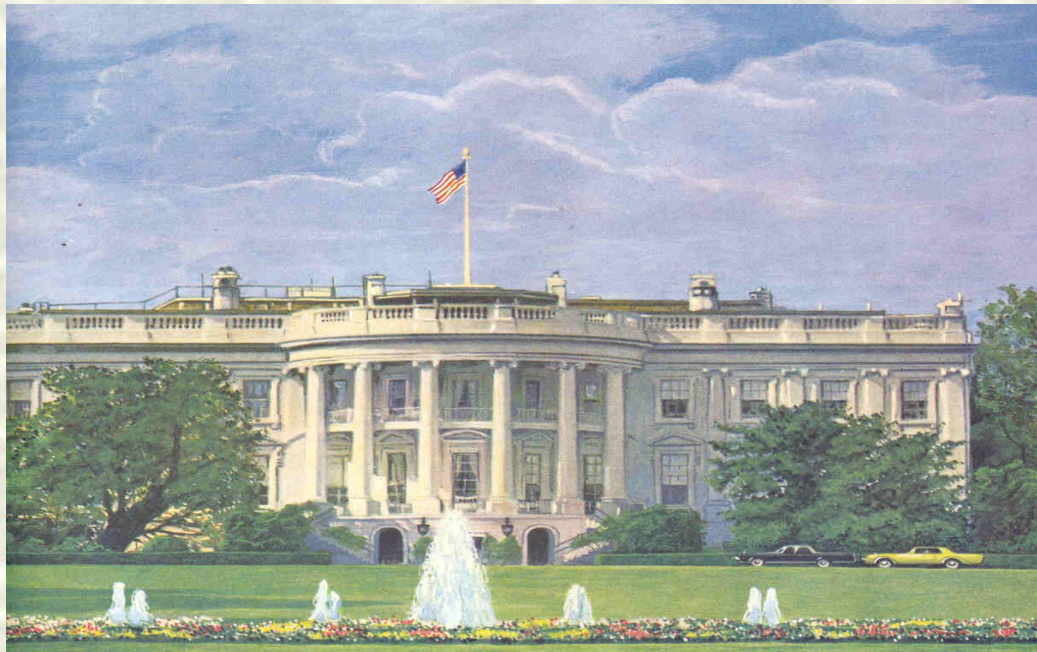

the National Gallery of Art

The White House

is the home of the President.

Here the President lives and works. The White House is a large building. It has 132 rooms. All presidents except G. Washington live there.

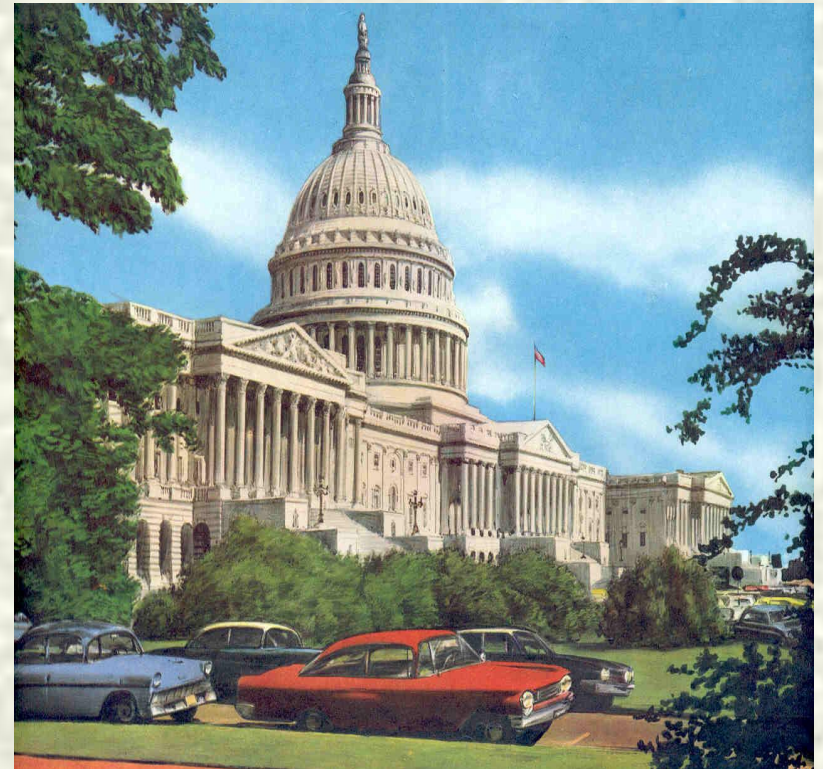

The United States Capitol

is the seat of Congress.

It stands on the Capitol Hill.

It is interesting to know that the Capitol is the highest building in Washington. There is a law not to build houses higher than the Capitol.

There are no sky-scrapes in Washington.

Pentagon

Here are the headquarters of the Department of Defence, the Army, the Navy and the Air Force.

The Pentagon is the military centre of U.S. imperialism.

The Pentagon is a five-sided building and five stories high.

New York

is the biggest city in
the USA.

*American tourist
companies call it
“the wonder city of
the world” but
Maxim Gorky called
it “the city of the
yellow devil”*

The Statue of Liberty.

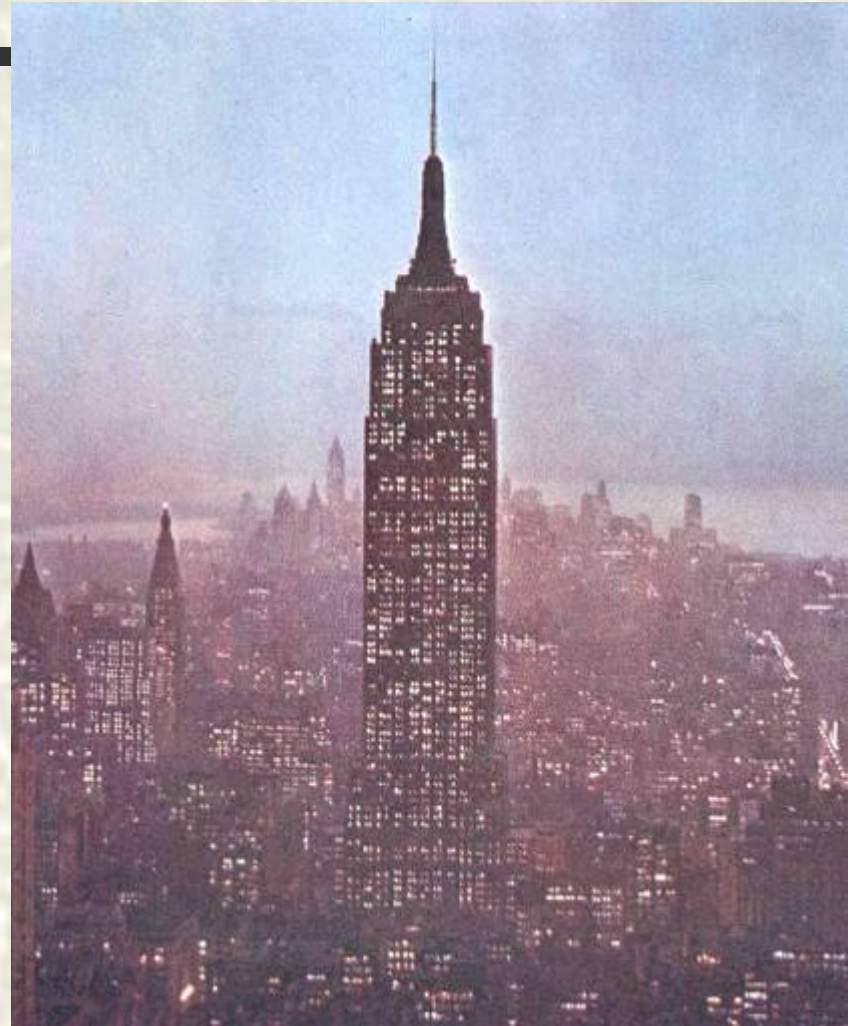

It stands on a small island at the entrance to New York harbour. It is nearly 100 metres above the water level.

The figure shows a young woman. She holds a torch in her right hand above her head and a tablet with the date “July 4th, 1776” in her left hand.

Empire State Building is one of the tallest building. It has 102 floors and is 448 metres high.

New York is the city of sky-scrapes.

Columbia University .

**It was founded in 1754 is
one of the biggest
universities of the USA.**

Brooklyn Bridge.

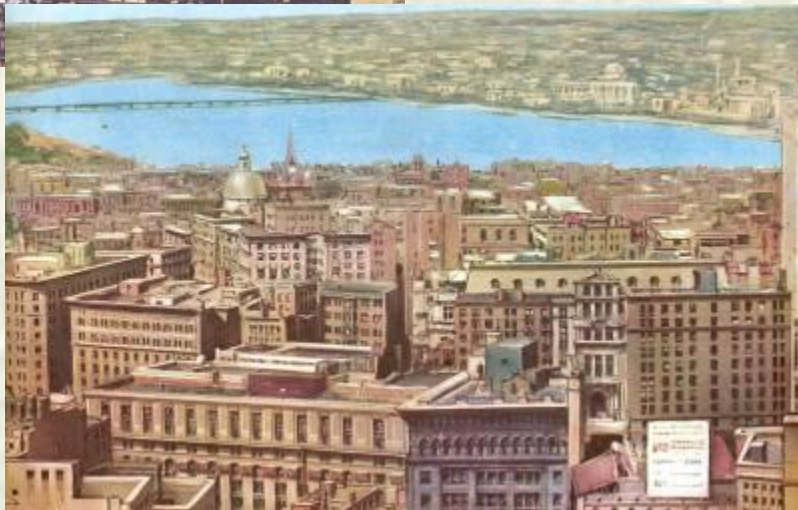

**It was completed in 1883.
The bridge is over the East
River and connect
Manhattan with Brooklyn.**

There are a lot of other large cities in the USA.

Chicago is one of the biggest industrial cities.

San Francisco is a big port.

Boston is one of the first town founded on the Atlantic coast of America.

San Francisco City Hall.

The building houses the Public Library, the War Memorial Opera House and the Exposition Auditorium. People are very proud of City Hall.

The American call **Boston**, the city of yesterday and tomorrow. It has a very interesting history.

Do you know..?

The Mississippi River in the United States of America is called “the father of waters”. The name Mississippi comes from the Indian tribes that lived along the famous river. The Mississippi touches all or part of 31 states, as well as 2 Canadian provinces.

Do you know..?

Montana is the fourth largest state in area. The state was once called "the ice-box of the nation" before Alaska took away that distinction.

The Rocky Mountain are in the west of the USA. In the Rockies there are several peaks between 4000 and 5000metres high.

You can see many different animals in this romantic land.

Bear grizzly

Skunk

Black bear

The End.
