Pollution

Pollution is hanging like a brown cloud over our city today. Dirt and Smoke are pouring from cars and buses.

Pollution is spoiling the air we breathe and it is dangerous for our health. It is dig problem these days.

The city has dirty air. The air smells bad and people are often ill . People are working together now and they want to make the air cleaner.

1. Noun _____

2. Adjective _____

3. Verb _____

4. Sentence _____

5. Meaning _____

Rubbish dumpers.

There was sun in the sky and the birds were singing their beautiful songs. Vicki loved the countryside.

One day the picnickers were in the countryside. They were finishing their picnic and they left all their rubbish on the ground.

“What are you going to do with all litter you have left? asked Vicki. You can’t leave this rubbish here. You should’nt be rubbish dumpers!”

1. Noun _____

harmful ,help.

Pictures What's happening?						
People burn trees						
Someone pollutes water						
The oil kills birds						
People dump rubbish						
People cut forests						
Factories pollute air						

The Aral Sea

The Aral Sea is dying. Water is salted.
It is one of the world's environmental disasters.
The Sea has changed the climate of the region greatly.
Members of UNO (United Nation Organization) help
Kazakhstan government to solve the Aral Sea problems.

Greenpeace

The international organization Greenpeace is also doing much to preserve the environment. These are first steps and must be carried onward to protect nature, to save life on the planet.

Үйге тапсырма:

Табиғат туралы сурет салу

A scenic mountain landscape with a waterfall and snow-capped peaks. The foreground shows a rocky stream bed with a waterfall cascading over dark rocks. The middle ground features a valley with green trees and a winding path. The background is dominated by high, rugged mountains with patches of snow and glaciers under a clear blue sky.
