

***Theme:***

# *Jobs of the future*

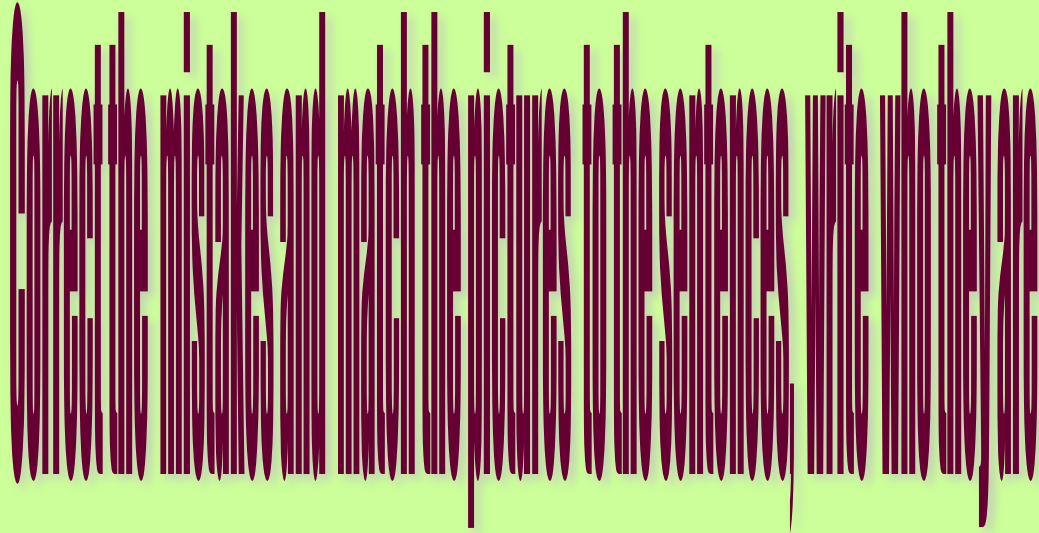

# The aims of the lesson:

# Warming up:

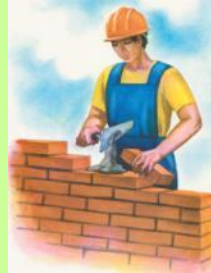

products different  
I sell

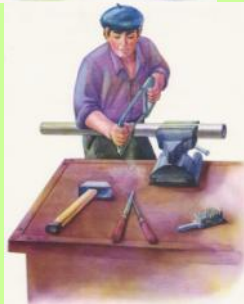

health they to of  
help take care

bauxite they produce

I from things  
do metal

buildings houses,  
build you

make I clothes  
new fashions by

love love  
I my audience  
• I and playing

robbers get they

things computer  
he all knows  
about

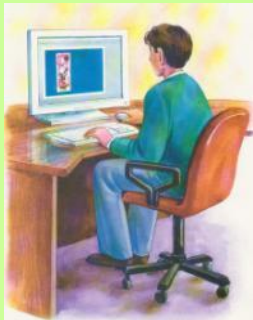

always my soup  
delicious prepare  
mother

she well hair  
cuts the

to I around like so  
travel the I profession  
this choose world

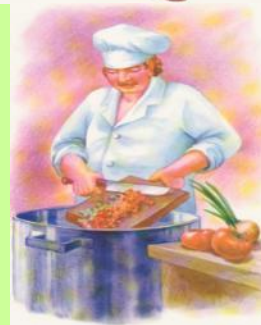

teach they  
pupils students

draw like I to

job is not it an  
easy sometimes I  
mend car my

animal an am  
doctor I
