Hi Julia,

How are you? I had a great weekend. I went to the cinema on Saturday night with my friends. We saw *Harry Potter and the Half-Blood Prince*, a fantasy film starring Danielle Radcliffe, Rupert Grint and Emma Watson.

The sixth film of the Harry Potter series is about Harry Potter getting ready to face Voldemort. Dumbledore takes Harry with him on a secret journey in which Harry is a witness to the battle between good and evil. I found the film exciting, and the acting was wonderful. I think it's a must-see for everyone.

How about you? Did you go to the seaside last weekend?  
Love,  
Samantha
