

Before we start...

# Mythical creatures

- Do you believe there are mysterious creatures?
- What books or films do you know about them?
- Do you believe in ghosts?
- What are some famous ghosts?

# **Dreams&Nightmares**

- Do you think dreams mean something?
- Do you ever have the same dream over and over again?
- What is the worst nightmare you have ever had?

# Technology

Современные технологии

# Isaac Asimov (1920-1992)

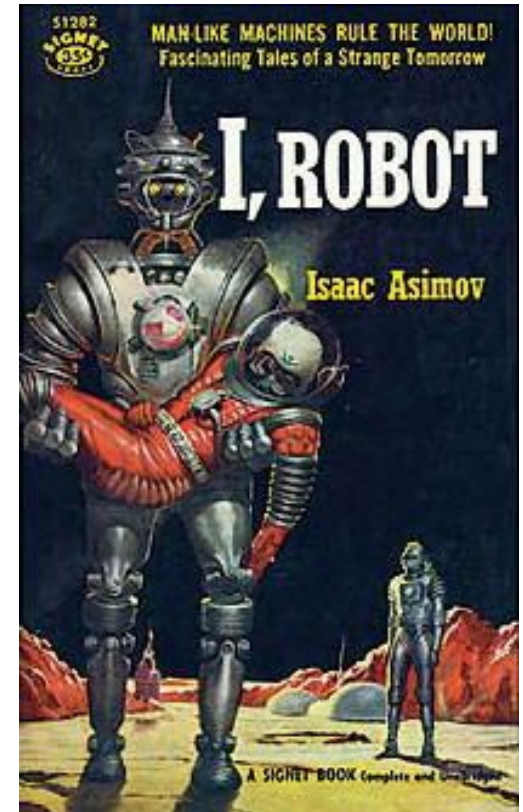

## Айзек АЗИМОВ

- Isaac Asimov was an American author and professor of biochemistry
- He was best known for his works of science fiction and for his popular science books

# 'I, Robot'

- An influential vision came with 1950 release, the story collection 'I, Robot', which looked at human relationships and featured the **Three Laws of Robotics**.
- Asimov would later be credited with coming up with the term

- Look at the jumbled words, make up questions using them. Then answer the questions to the text on p. 58, SB.
- 1. does/ the/ how/ reflect/ title/ content/ the?
- 2. is/ it/ to/ why/ difficult/ a/ robot/ invent/ thinking?
- 3. is/ Honda's/ what/ experience?

# Robots

- What images spring to your mind when you hear the word “robot”?
- Will robots take over the world one day?
- The West sees robots as menacing (*угроза*), Japan sees them as helpful. How about you?

# Robots

- Which movie robot is your favourite?
- What would you like your robot to do?
- Will robots ever be like humans?

# Ways of talking about the future

| Future Simple   | Future Continuous   | Future Perfect   |
|---|---|--|
| will+V  | will be+V <sub>ing</sub>  | will have+V <sub>3</sub>   |
| <p>Прогноз, предсказание на будущее</p> <ul style="list-style-type: none"> <li>•С глаголами <i>hope, think, believe, expect, imagine</i></li> <li>•С выражениями: <i>I`m sure, I`m afraid</i></li> <li>•С наречиями: <i>probably, perhaps, maybe</i></li> </ul> | <p>Будущее действие в процессе его совершения в определенный момент в будущем</p> <p><i>This time next week I will be sunbathing in Sochi</i></p> | <p>Действие, которое совершится до определенного момента в будущем</p> <p><i>We will have finished our course by the end of June</i></p> |
| Обещания  | Действие, которое наверняка произойдет в будущем согласно плану   |  |
| Сиюминутные решения   | Вежливый вопрос о намерениях на будущее   |  |

# Future Perfect Continuous

- Will have been+V<sub>ing</sub>
- Употребляется для выражения длительного будущего действия, которое начнется ранее другого будущего действия
- *By this time next week I will have been taking my exam for a hour*

# Other ways to express the future

| <b>To be+going to+V</b>                                 | <b>Present Simple</b> в значении будущего | <b>Pr. Continuous</b> в значении будущего |
|---|---|---|
| Планы на будущее, намерения                             | Расписания, программы                     | Договоренность на ближайшее будущее       |
| Прогнозы, основанные на том, что мы видим, знаем        |   |   |
| Принятые решения по поводу действий в ближайшем будущем |   |   |

# Time clauses – придаточные предложения времени

- *Present Simple, Present Perfect*

Вводятся при помощи слов и выражений: *while, before, after, until/till (до), as, when, whenever* (всякий раз когда), *once, as soon as, as long as, by the time*

- Формы *будущего времени* употребляются с *when, if/whether* (после *I don't know, I doubt, I wonder, I'm not sure* – неуверенность, незнание)

# Clauses of purpose – придаточные предложения цели

- Вводятся при помощи:
- to/in order to/so as to + infinitive
- So that (поэтому)+can/will (значение настоящего/будущего)
- So that+could/would (значение прошлого)
- With the view to/with the aim of+-ing form

# Clauses of result – придаточные предложения следствия
