# New Year

**In Scotland, the first visitor, must bring a special present — a piece of coal — to wish good luck and warmth to the house.**

*EASTER*

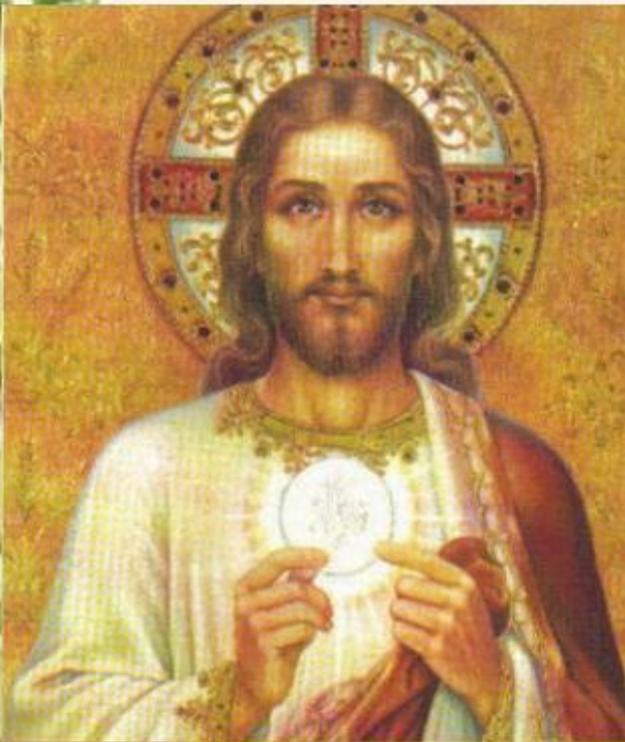

**Easter is a religious holiday which people celebrate all over the world.**

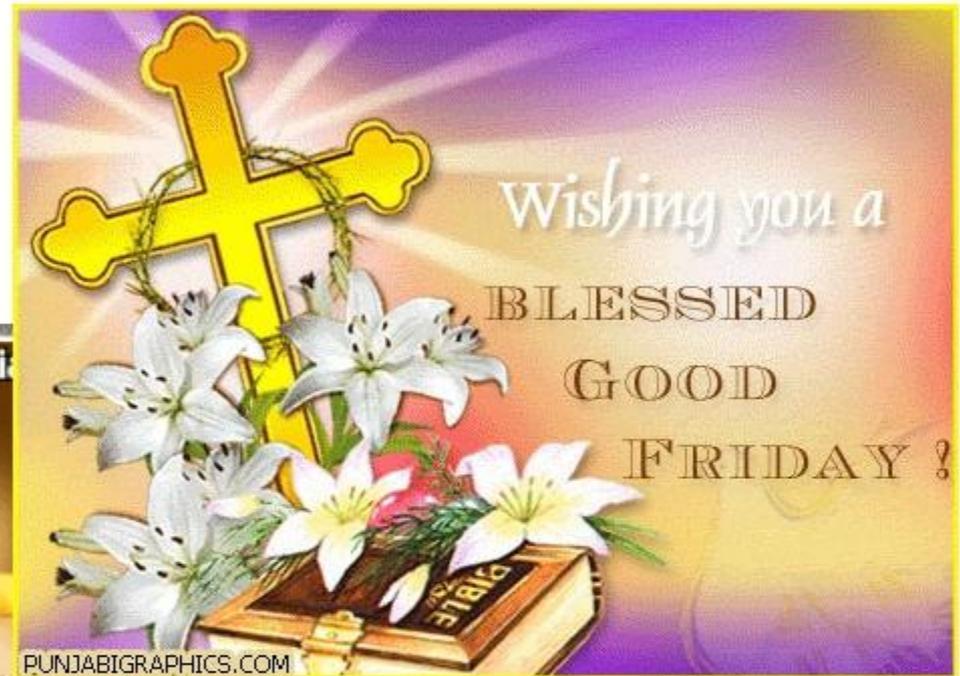

**The main symbols of Easter are a cross bun and an egg.**

**A cross bun symbolizes Jesus's body and an egg means a new life.**

**In Britain, Easter starts on Good Friday, when people go to the church.**

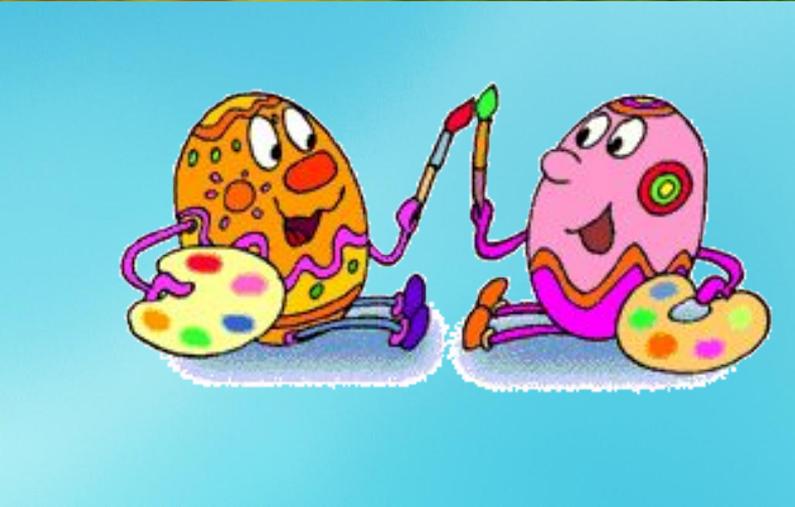

**On this day people eat hot-cross buns and boiled eggs, usually brightly painted at home.**

**But children enjoy eating chocolate eggs  
on Easter Sunday.**

**British families go to the church early in the morning**

The text "HAPPY St. Patrick's DAY" is rendered in a bold, bubbly, green font with a yellow outline and a drop shadow. The word "HAPPY" is on the top line, "St. Patrick's" is in the middle, and "DAY" is on the bottom line. A green top hat with a purple band and a yellow buckle is positioned behind the text. Several green shamrocks are scattered around the text, including one at the top left, one at the bottom left, and one at the bottom right.
