

Sarapul is unique of Russia

History of Sarapul

In 1780, new provinces and districts were formed when Ekaterina II has signed the decree about formation of districts of Sarapul. Village has officially received the status of city

1784 in Tsarskoe Selo was ul - town. It was signed by of the Petersburg school who n-planning composition of s of Udmurtia.

Sarapul is the second-largest industrial and cultural center of republic. Here is near 110 thousand inhabitants: Russian and Udmurts, Tatars and the Bashkir. The town is the center of the big agricultural area. And there were only 132 court yard,in Sarapul, and in 1740 Sarapul was renamed into Sarapul'. There were Maxim Sedova, and Michael Kurbatov's factories.

When you approach on city from the north, you can see the panorama of modern multi-storey buildings and factory . But if you float across Kama you can see an ancient massive buildings. The city along coast was stretched in twelve kilometers .
