Dear friend,

Did you know that all my elves have been talking about you? They are all very impressed that you have your accomplishments this year. That makes me very proud of you too!

The elves and I have been busy getting my sleigh ready for the big trip. The reindeer are training each day, so they'll be ready for the big Christmas Eve journey!

So, you can see we're keeping busy, but we're looking forward to visiting you. I understand that you have asked for a new gift from Santa this year. Your wish list says you want something special! The elves and I are searching the Workshop to see if we might be able to find it for you!

Please be in bed early on Christmas Eve and don't forget to hang your stocking out with care!

Merry Christmas and Warmest Wishes!

Santa Claus

Дорогим любителям настольного тенниса!

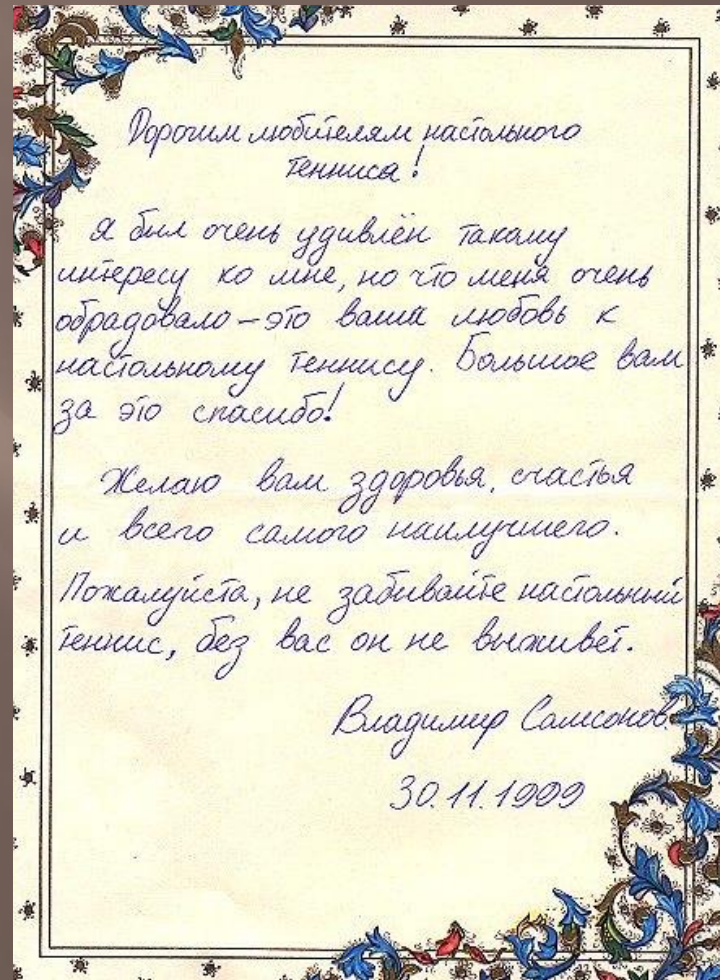

Я был очень удивлён такому интересу ко мне, но это меня очень обрадовало — это ваша любовь к настольному теннису. Большое вам за это спасибо!

Желаю вам здоровья, счастья и всего самого наилучшего.

Пожалуйста, не забывайте настольный теннис, без вас он не выживёт.

PARIS

Dear Sue and EAP staff,  
I just wanted to thank you and all that  
have contributed to this life changing  
experience in Paris. Food, wine, culture  
and history in France has really found a  
place in my life and heart. US students  
are treated like first class ambassadors  
here at AUP and my living conditions  
are unbelievable. This is a one in  
a lifetime experience that I am  
so grateful for. At the end of the  
day, I can't stress the importance of  
travelling and studying abroad. See you  
soon and can't wait to  
Share my stories.
