Ann, 12

I need a room of my own. I don't like sharing my room with my younger brother. When I am at school, he likes using my things: my guitar and my iPad. What should I do?

Lisa, 11

My mum says I must go to bed on time. It is about 9 p.m.! I think it is too early for me. I would like to watch TV shows or play computer games for an hour or two. What should I do?

Mark, 11

I like to spend my free time with my friends. I don't like doing housework. But my mum and my granny say I must have some responsibilities. I don't like spending my free time washing the dishes and cleaning my room. Also I hate watering the plants when my granny is absent. I want to get rid of her flowers! What should I do?

Kate, 12

I like eating fast food from MacDonald's. I like big sandwiches, pizza, chips. I always tell my mum that I spend money on healthy food during breaktime at school. I know it is very bad to tell lies and eating such food is not good for my health. What should I do?

*Thank you for the
lesson.*
