

Hello! I am Peter Pan! I am a little boy. I live in Netherlands. I like playing with my friends. And I like playing tricks with Capitan Hook. I am a kind and merry boy. I can fly!

He is
Captain
Hook. He is
angry. He
has his
men. They
are stupid.
They like to
play tag
with me.

**They are my
friends. She is
Wendy. And boys
are her brothers.**

**They are nice and kind. Wendy likes
helping us. She is smart. I like telling
tales to her.**

They are lost boys. They are my good friends. We live in Netherlands.
