Person 2. I know it's unusual for a girl, but for me it's very quick and there's no problem with parking. Sorry, I must go, bye!

Person 3. Well, I live about 20 kilometres away from my office. The car is impossible of course, because there's too much traffic. So I haven't got any choice really. It's quite expensive and sometimes it's late. But ... excuse me, I've got to go.
