6 “V” class

Differences between schools

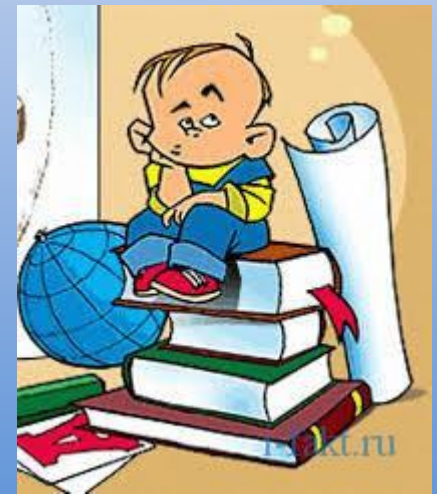

- What about it?
- The time-table
- The school uniform
- The vacation

Our School

Our school is very large. There are 1180 students & 59 teachers. We study five days a week. Academic year is divided into quarters and consists of four quarters. The holidays are autumn, winter, spring, summer. A lesson lasts 40 minutes. Change can be 5 minutes, 10 minutes, and the largest 15 minutes. Knowledge students are evaluated on a five-point scale.

English school

In England there are schools separately for boys or girls, and there are mixed. Cheltenham College is one of the oldest and most famous secondary educational institutions in the UK. The total number of students 655. Academic year from September to July. Schools are open 195 days a year. English pupils during the year, 170 rest days.

In schools in England in just 6 semesters, separated by vacations. Christmas holidays (winter) - 2 weeks

Easter holidays (spring) 2 weeks

Summer holidays - 6 weeks.

Every odd semester - 1 week (break)

Our School

- Today all eleven are engaged in the program

I level (elementary General education) — 4 years;

II level (basic General education) — 5-6 years;

III stage (secondary (complete) General education)

— 2 years

English school

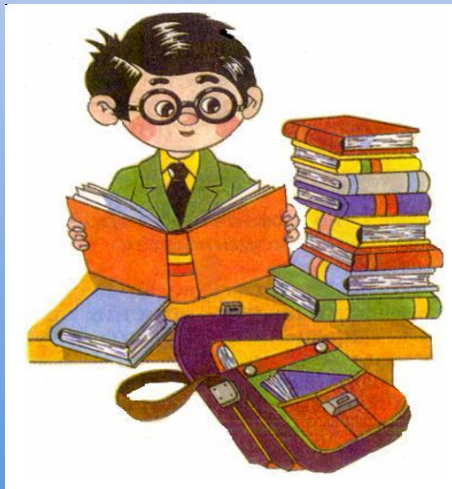

- In turn, school education is divided into 4 steps.

Key Stage 1: from 5 to 7 years

Key Stage 2: 7 to 11 years

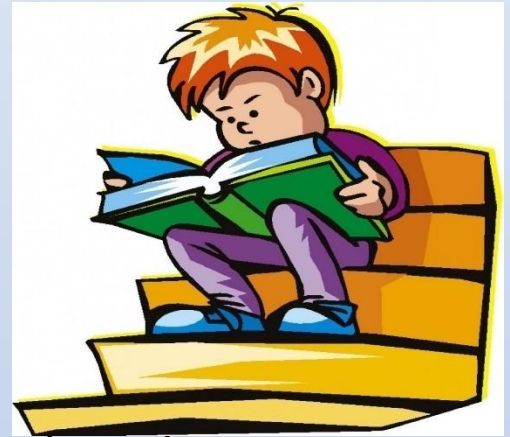

Key Stage 3: 11 to 14 years

Key Stage 4: 14 to 16 years

Our School

Interesting facts

In our country still used a five-grade scale of evaluation of knowledge students

Absolutely every Russian school has a library.

English school

Interesting facts

In British schools officially banned the use of slang. Not allowed even the words "hi" and "bye" instead of which have to be used, the rpm of "Hello" and "goodbye".

Country where first there is a school uniform from UK

Certificates and diplomas of British educational institutions are recognized all over the world

Some common and different traits between educational systems in the UK and Russia.

Common traits include:

- Education is compulsory and free if children study at state schools.
- There are three stages of education: primary, or elementary, education, secondary education and higher education.
- At the end of education students take the Uniform State Examination.
- Pupils wear a school uniform which is compulsory.

Different traits include:

- Kids start school at the age of five in Britain and in Russia they start school at the age of seven.
- The academic year is divided into three terms in Britain and it is divided into four terms in our country.
- Lessons last forty-five minutes in Britain and forty minutes in Russia.
- The academic year ends in July in Britain and in May in Russia.

We learned a lot!

- It is very interesting to know a lot of English schools & their system.
- Do you agree with us?

THE END
GOOD LUCK FOR YOU!!!
