

welcome

The word "welcome" is rendered in a playful, 3D font with each letter in a different color: 'w' is pink, 'e' is light green, 'l' is orange, 'c' is blue, 'o' is yellow and features a sun-like graphic with rays, 'm' is purple, and the final 'e' is green. The letters are arranged in a slightly staggered, friendly manner on a plain white background.
