Westminister Abbey is a symbol of England. The legend says that Westminister Abbey was founded by St Peter himself. It was build 1065. The coronation of all British Kings and Queens takes place in Westminister Abbey . Some famous English people are also buried here.

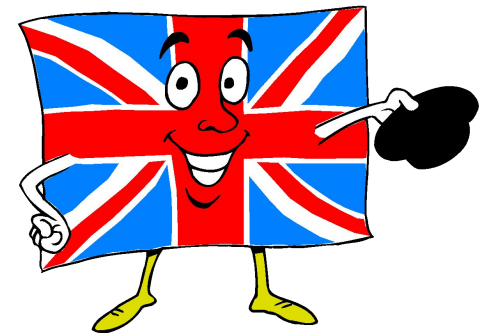

A map of Great Britain and Ireland is visible in the background. The map shows the outlines of the islands, with labels for 'Thurso' and 'English' partially visible. A scale bar at the top right indicates '0' and '100 mi'. Latitude lines are marked on the right side with '57°', '54°', and '51°'.

Now you know something about the capital of Great Britain. You know some information about parts of this country. The United Kingdom of Great Britain and Northern Ireland has different names.

Some people say “Great Britain”, or “Britain”, or “The United Kingdom”, or just “ the U.K.” and “G.B.”

Цель: познакомить учащихся с общей информацией о
Великобритании и стран её составляющих. Так же дать
краткую информацию о Лондоне и его
достопримечательностях.

В конце предлагается ответить на несколько вопросов по
прослушанной информации.
