The London Eye

The London Eye is a giant 135-metre tall Ferris wheel situated on the banks of the River Thames in the British capital.

It is the tallest Ferris wheel in Europe, and the most popular paid tourist attraction in the United Kingdom, visited by over 3.5 million people annually.

The London Eye is located on the South Bank of the River Thames in London.

The Tower of London

An ancient fortress in London. Now it's a museum of armour and also the place where Crown Jewels are kept. It comprises not one, but 20 towers. The oldest of which, the White Tower. Many stories associated with British history come from the Tower. In 1483 King Edward IV's two sons were murdered in the so-called Bloody Tower. Of course, no visit to the Tower would be complete without seeing the ravens; huge black birds. Legend states that if the ravens were to leave the Tower the Crown will fall, and Britain with it. Under the special care of the Raven Master, the ravens are fed a daily diet of raw meat. And there is no danger of them flying away, because their wings are clipped.

Madame Tussauds

Madame Tussauds is a wax museum in London with branches in a number of major cities. It was founded by wax sculptor Marie Tussaud and was formerly known as "Madame Tussaud's". Madame Tussauds is a major tourist attraction in London, displaying waxworks of historical and royal figures, film stars, sports stars and famous murderers.
