

# IN HARMONY WITH THE WORLD

# WHY PEOPLE TRAVEL?

- People travel to broaden their horizons to see new places. Visit different places and it is possible to compare them.

# HOW PEOPLE TRAVEL?

- People travel in different ways. As you like. You can travel by train, plane, car or even hitchhiking

# WHERE PEOPLE TRAVEL AND STAY?

- Some people prefer to travel only in their own country and some go abroad. People stay either in a hotel or at their relatives and friends

# WHAT PEOPLE DO WHILE TRAVELLING?

- While travelling people visit the sights, enjoy the atmosphere of another place or relax in nature.

- Why the need for travel? To learn about the world and the culture of other Nations. Don't worry about the friendliness of people the indigenous people are always polite to travelers and try to help them travelling, you find harmony with the world.
