Palekh is the city-type settlement (since 1927), the administrative center of Palekh district of Ivanovo region. Palekh is the center of lacquered painting.

The State Museum of Palekh Art

The opening of the gallery occurred in March 1935. The museum has more than 7 thousand exhibits.

The Dydykin House Workshop

The memorial gallery was opened in 1978. The museum exposition consists of more than a hundred works of the master.

There are busts of famous writers, artists, composers, cosmonauts and scientists in the museum .

The Golikov House Museum

The gallery was opened in 1968. In one room of the house there are only things that belonged to Golikov. Another room is devoted to the work of Palekh artists in post-revolutionary times.

The Corin House Museum

This is the oldest building in all of Palekh, built in the 1860s.
The museum itself was opened in 1974.

The Zinoviev House Museum

The exposition of the museum consists of the personal belongings of the master - books, photographs, a large number of paintings made by Zinoviev.

Palekh Art College named after M. Gorky

This is a unique educational institution in which future artists are trained in the traditional Palekh miniature and icon painting.

Holy Cross Church

It is an architectural monument of the XVIII century. In the cathedral there is an iconostasis in, painted by local masters in rococo style.

The Monument to the Perished Soldiers

The monument dedicated to the memory of Soviet soldiers who died in the Great Patriotic War was erected in October 1968. The height of the monument is 14 m.

We are proud of the historical and cultural heritage of our region. Palekh gave Russia not only its unique art, but also many famous people. Palekh is interesting to visit at any time of the year.
