Самое интересное, что в разговорной речи для выражения будущего действия англичане употребляют **will** во всех случаях, хотя, как и мы с вами, знают правило про **will** и **shall**!

В разговорной речи часто используется сокращение 'll.

Давайте будем говорить, как англичане!

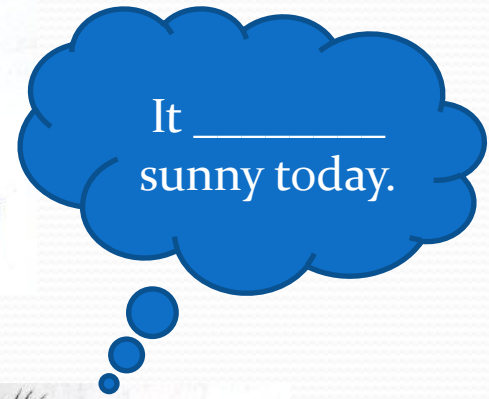

It will be cold in  
winter.

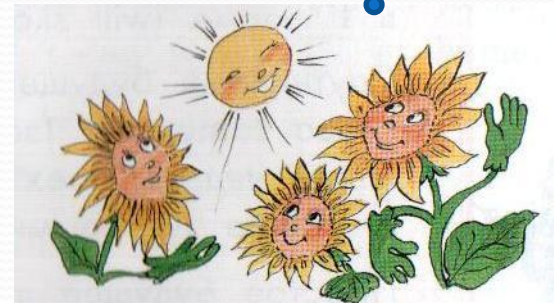

It will be \_\_\_\_\_  
today.

It \_\_\_\_\_  
sunny today.

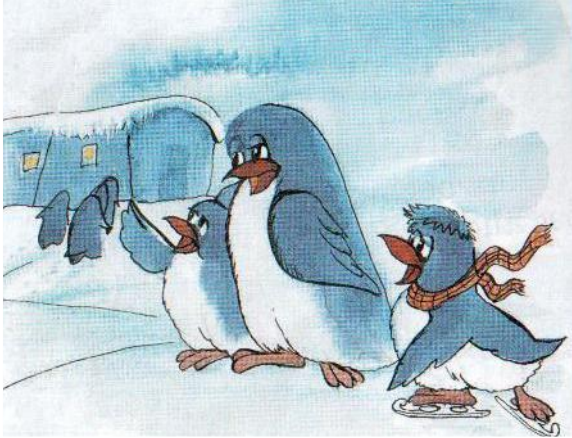

It will  
be \_\_\_\_\_  
today.

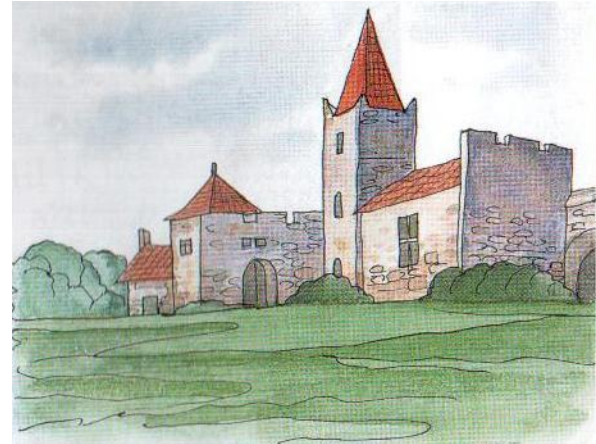

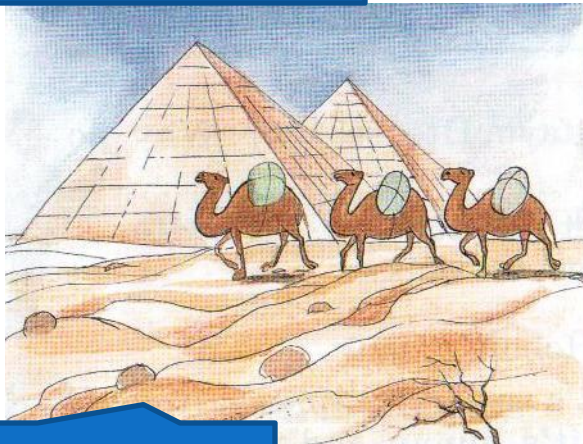

# Guess what the weather is like in summer in...

It is \_\_\_\_\_ in the  
Antarctica

It is \_\_\_\_\_ in England

\_\_\_\_\_ in Egypt

\_\_\_\_\_ in Russia
