Самое интересное, что в разговорной речи для выражения будущего действия англичане употребляют **will** во всех случаях, хотя, как и мы с вами, знают правило про **will** и **shall**!

В разговорной речи часто используется сокращение 'll.

Давайте будем говорить, как англичане!

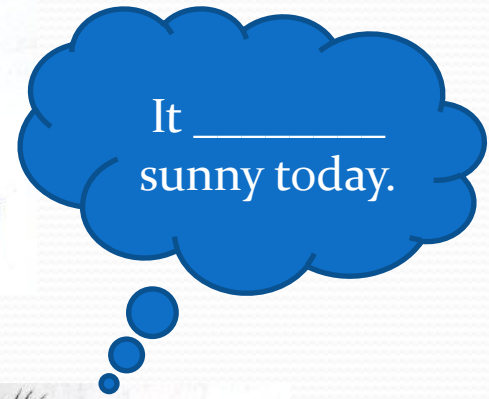

It will be cold in
winter.

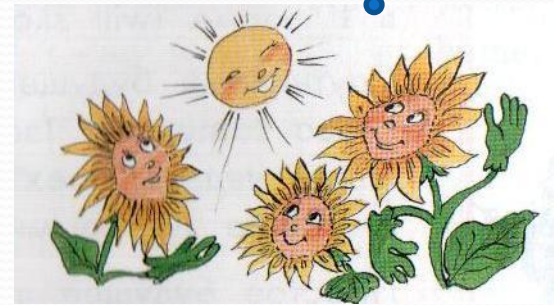

It will be _____
today.

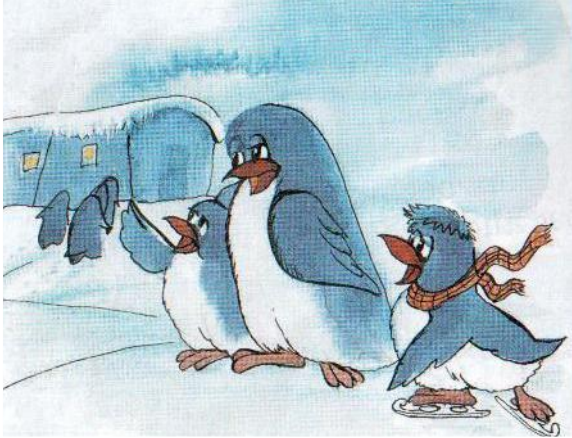

It _____
sunny today.

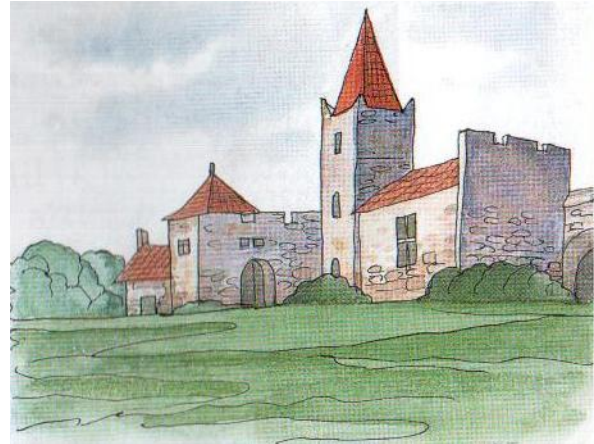

It will
be _____
today.

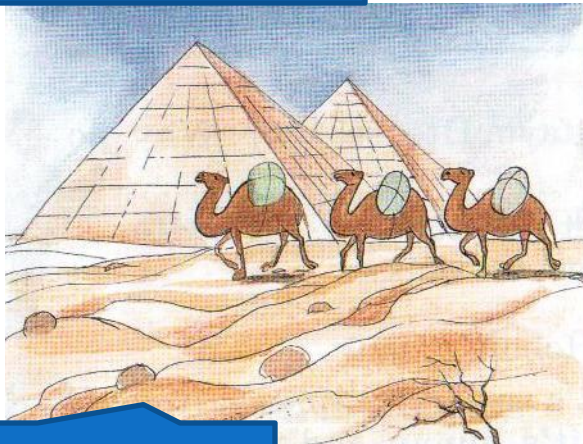

Guess what the weather is like in summer in...

It is _____ in the
Antarctica

It is _____ in England

_____ in Egypt

_____ in Russia
