A black cat
sat on a mat

And ate a fat rat.

My cat is fat.

My cat likes
rats.

Rats are fat.

As you sow
you shall mow.

Good cook,
look at the book.

Red rocks crack in
the rain.

Four fine fresh fish
for you.

Kitty caught the kitten in the kitchen

•Why do you cry Willie? 

•Why do you cry?

•Why Willie?

•Why Willie?

•Why Willy? Why?

I scream and you scream,
we all scream for ice cream

Six silly sisters selling shiny shoes.

Thanks
