

Тема: «Глобализация».  
по УМК Биболевой М.З. "Enjoy  
English" для 11 класса.

МБОУ «Пайгусовская СОШ»  
Учитель английского языка  
Задачаина Вапентина Григорьевна

# Фонетическая зарядка

# Речевая зарядка

a) Remember the words to describe change.

Look at the blackboard and say which words are used to describe a negative change and which ones are used to describe a positive change; divide these words from the list into two categories.

Fall, rise, decrease, strengthen, deteriorate, reinforce, lessen, increase, grow, develop, improve.

b) The words of supporting and opposing the idea:

to approve of something;

to be against something;

to be in favour of something;

to be positive towards something;

to be negative towards something;

to disapprove of something;

to oppose something;

to support something;

to be for something;

words

*to support and to oppose*

□ Answer the questions:

1. What idea does globalization refer to?
2. How do you understand the sentence “We live in a global village”?
3. There are many controversial arguments surrounding the phenomenon of globalization, aren't there?
4. What do opponents of globalization think about it?
5. What is the opinion of supporters of globalization about it?
6. Can you give some examples of globalization around in everyday life?
7. Make a list of items that are global.

# Teenagers' opinions

- Listen to a radio programme about some research on teenagers' attitude towards globalization

Thanks  
for your  
attention
