

A dense collage of holiday postcards. The cards are tilted and overlapping, showing various scenes: a city skyline at night, a winter landscape with a snowman, a cartoon character in a winter hat, a city street with a church, a mountain range, and a city with a river. Some cards have text like 'VANCOUVER WHISTLER' and 'Warszawa'. The overall theme is winter and travel.

Dear Grandma and Grandpa,  
Greetings from Greece. We're  
having a great time here.  
The hotel's fantastic and the  
weather's great.

Dad's windsurfing with the local  
club at the moment. Tony's  
playing golf with Steve. They're  
enjoying it a lot. I'm on the  
beach now. Mum is swimming  
and I'm sunbathing. It's fun.  
See you soon.

The background of the slide is a repeating pattern of small, colorful houses. Each house is a simple silhouette with a gabled roof and a square window. The houses are arranged in a grid and come in various colors including red, blue, green, yellow, purple, and brown. Some houses have small yellow squares in their windows, suggesting they are lit up.

Dear Fiona,

How are you? I'm having a great time here in Italy. The mountains are lovely and very white. Matt and I go skiing every day. We wake up early in the morning and we come back in the afternoon. The hotel is very nice but I don't like the food very much. I have pizza all the time. In the evenings we go swimming in the indoor swimming pool or we read books next to the fireplace. It's fun. See you soon!

Love,  
Kate
