THE MONUMENT OF SALAVAT YULAEV

The Monument of Salavat Yulayev is the largest among all monuments of Bashkortostan. The Monument was created by M.G. Gaynutdinov and S.D. Tavaciev. It is the highest monument in Europe.

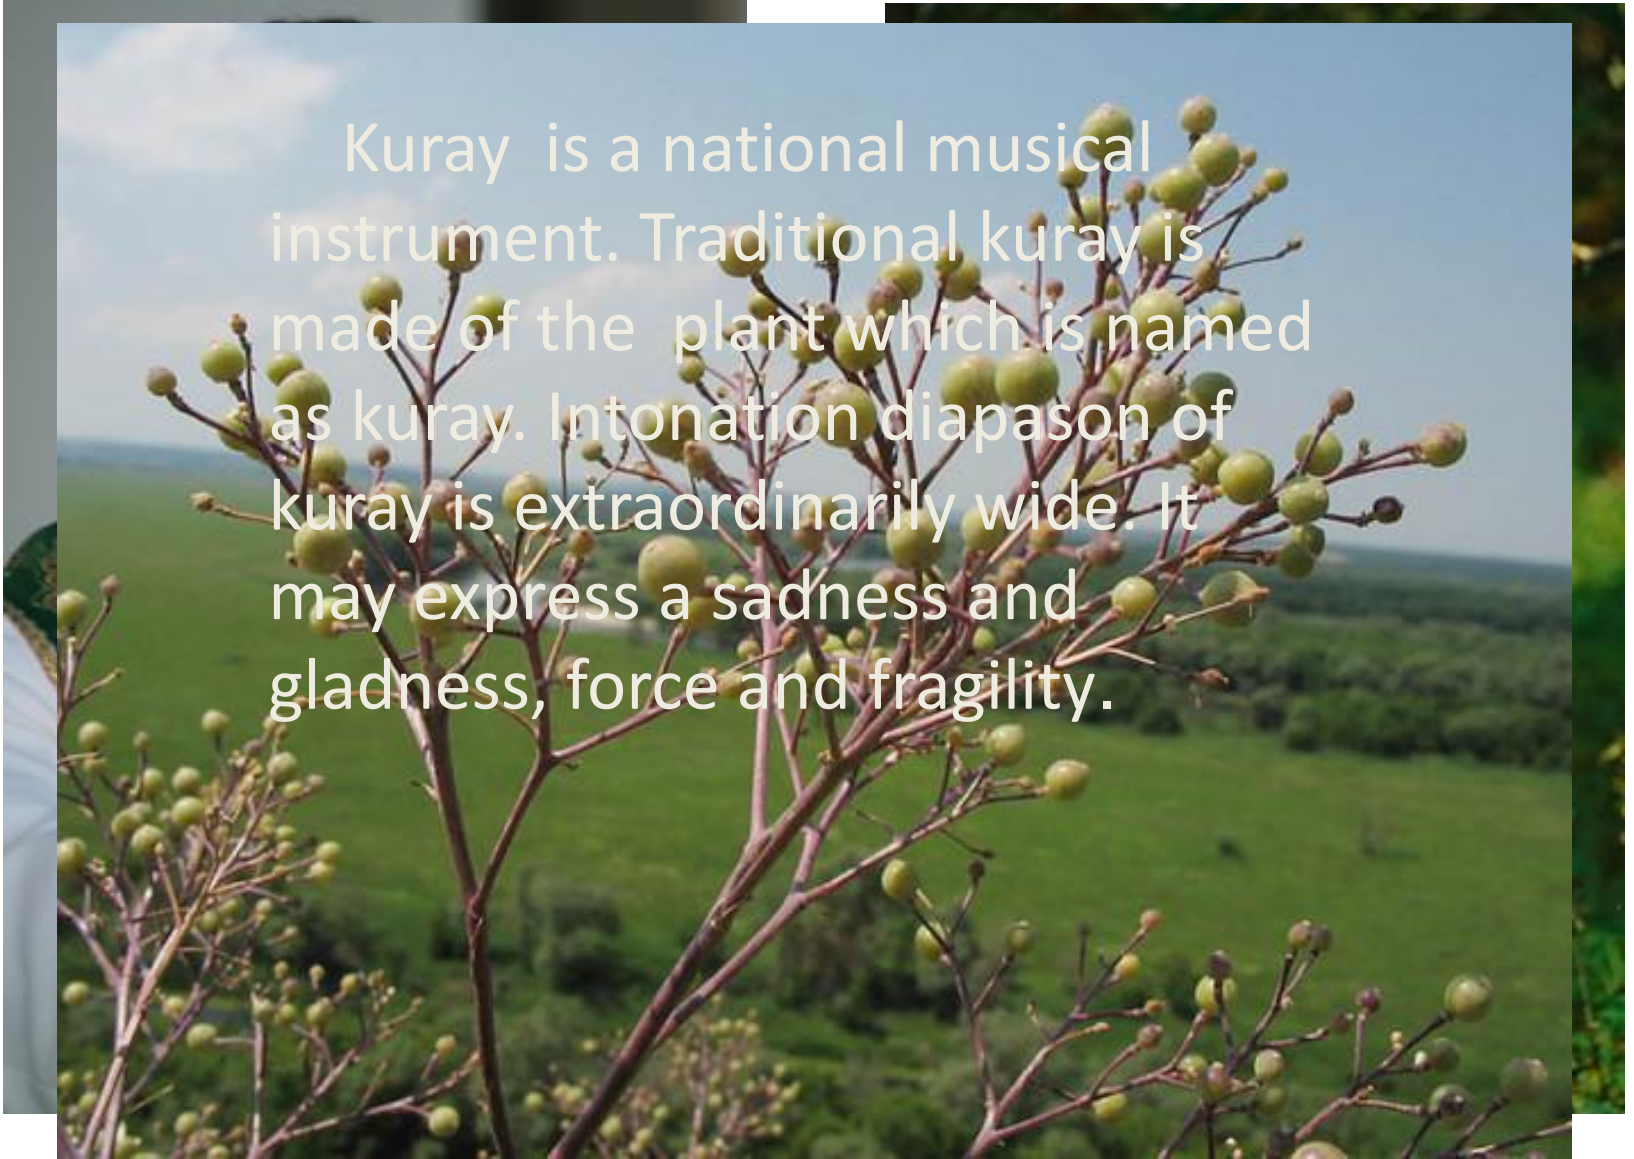

EPOS “URAL-BATYR”

Epos “Ural-batyr” is the largest and ancient epic work of bashkir folklore. The main idea of epos is the love to fatherland. The epos describe the poetik picture of settling of the Ural mountains by people, birds and animals.

KURAY

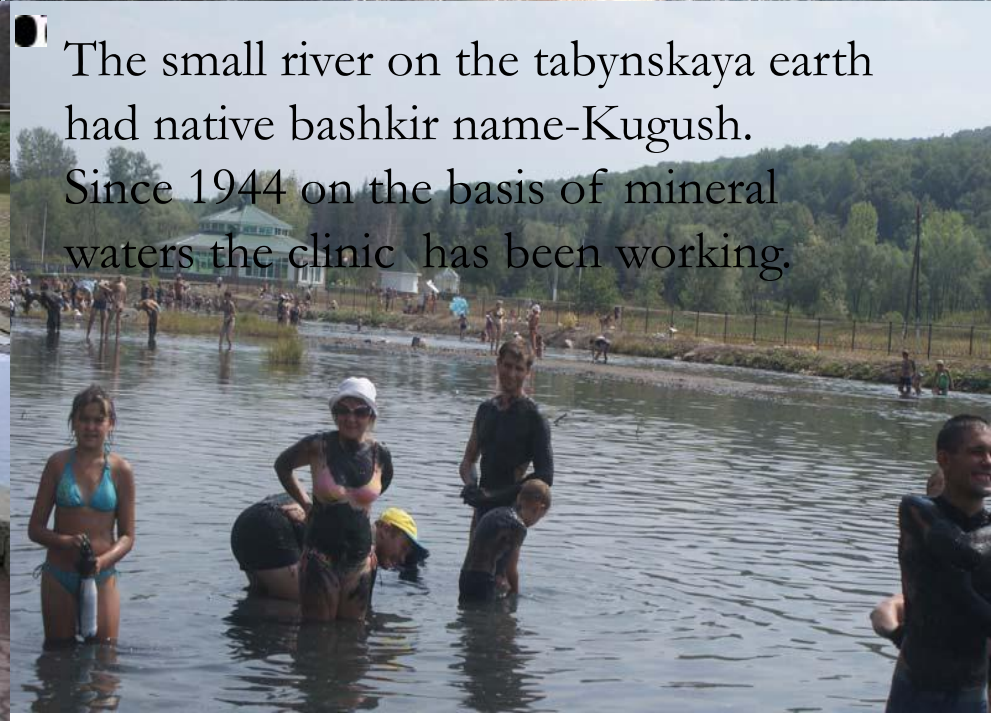

Kuray is a national musical instrument. Traditional kuray is made of the plant which is named as kuray. Intonation diapason of kuray is extraordinarily wide. It may express a sadness and gladness, force and fragility.

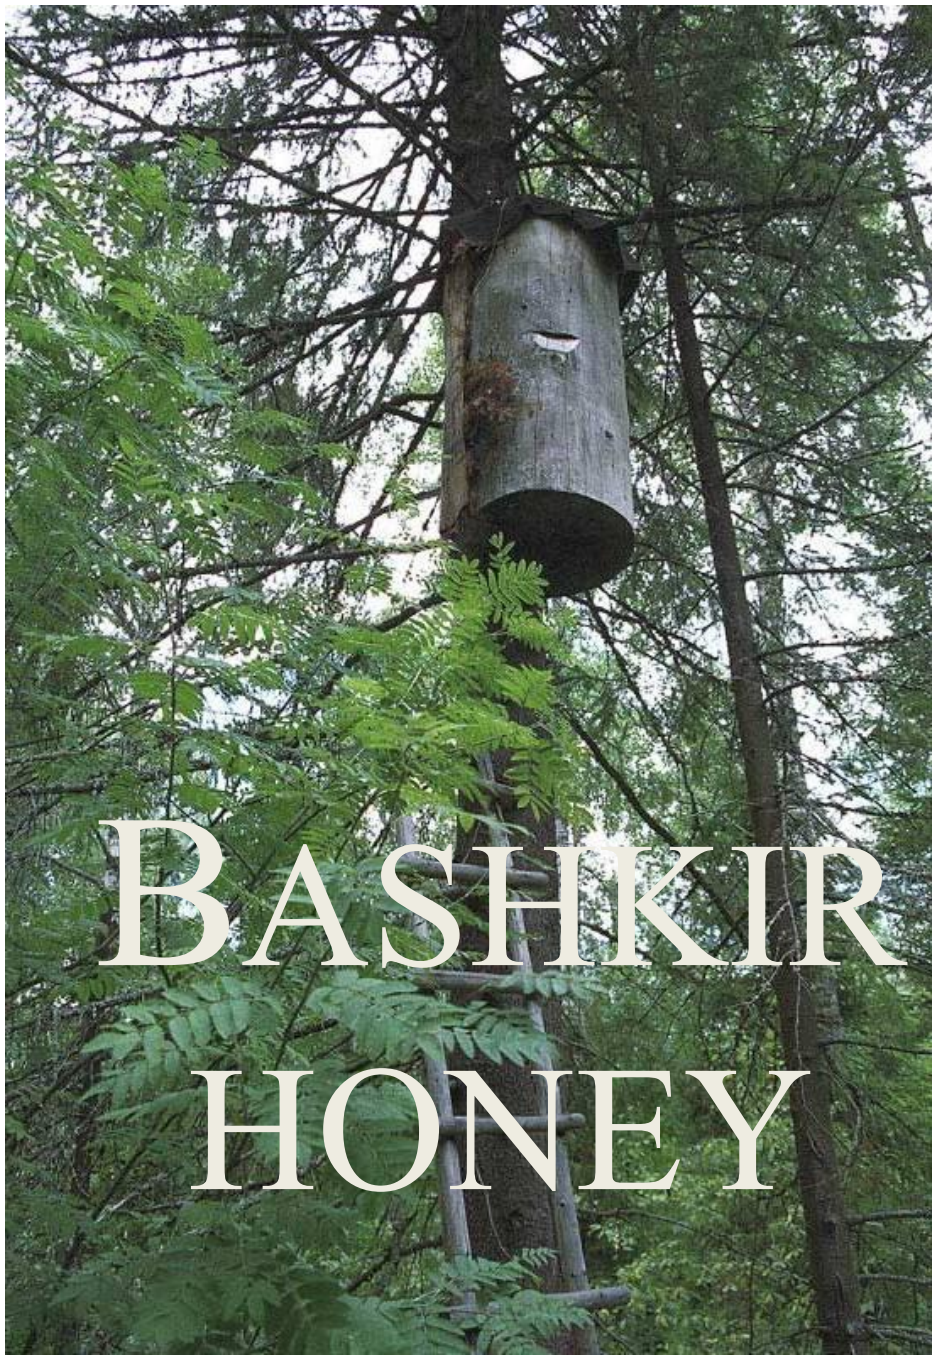

MINERAL SPRINGS OF KRASNOUSOL'SK

The small river on the tabynskaya earth had native bashkir name-Kugush. Since 1944 on the basis of mineral waters the clinic has been working.

BASHKIR HONEY

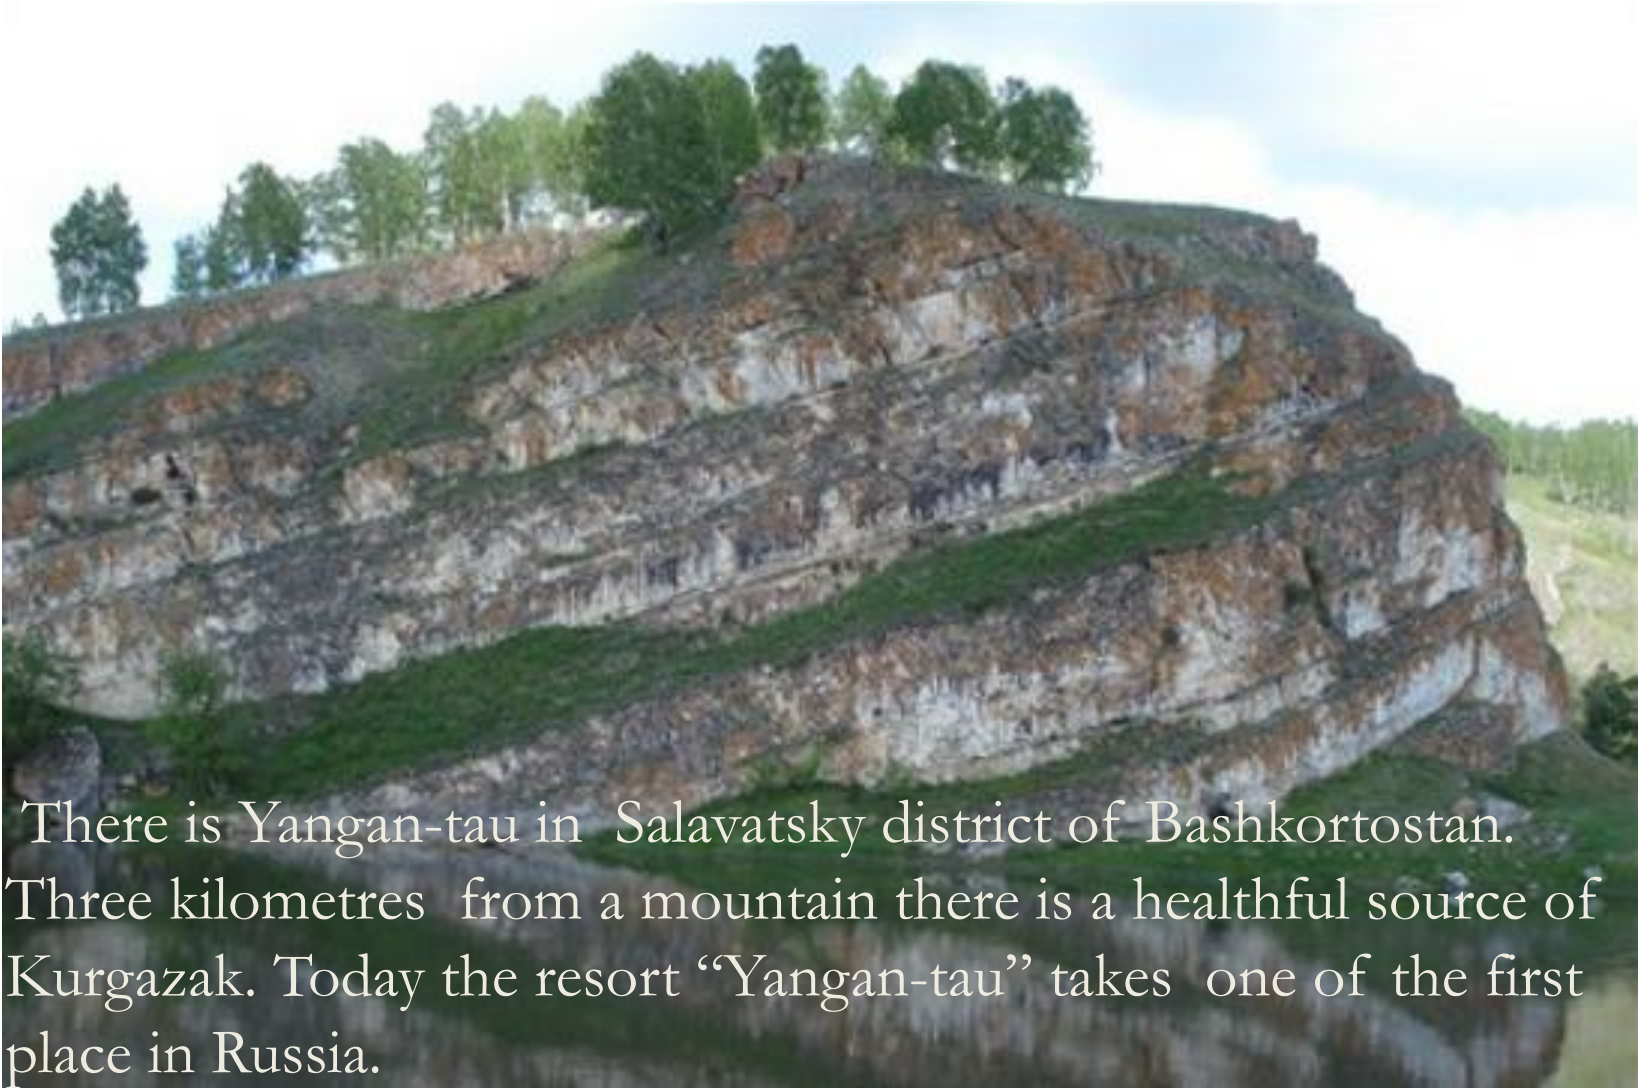

Bashkir honey is a biologically active product, collected by bees from nectar of plants. The high quality of our honey, are estimated on international exhibitions all over the world.

HEALTHY INFLUENCE OF YANGAN-TAU

There is Yangan-tau in Salavatsky district of Bashkortostan. Three kilometres from a mountain there is a healthful source of Kurgazak. Today the resort “Yangan-tau” takes one of the first place in Russia.
