What is the weather like in London?

Let's visit
www.earthcam.com

Be ready to answer
the questions:

- Is it rainy ?
- Is it sunny or cloudy?
- Is it windy?
- Is it warm or cold?

The screenshot shows a web browser window displaying the EarthCam website. The browser's address bar shows the URL <http://www.earthcam.com/uk/england/london/>. The website features the EarthCam logo at the top left and a navigation menu with options like 'Webcams', 'Photos', 'Add a Cam', and 'World Map'. A search bar is located on the right side of the header. Below the header, there is a large banner for 'London Cam' with a night view of the city skyline. A left sidebar contains a menu with items such as 'LIVE Webcams', '24 Hour Archives', 'Time-Lapse', 'Hall of Fame', 'Moblog', 'History', 'EarthCam Network', and 'Services for Business'. The main content area is divided into sections: 'LIVE' (showing a real-time video feed of Trafalgar Square), 'ARCHIVES', 'TIME-LAPSE', and 'HALL OF FAME'. To the right of the live feed, there is a weather widget for London, England, showing a temperature of 17°C and 'scattered clouds'. Below the weather widget is a map of London with a location pin. At the bottom of the page, there are advertisements for 'New! Apps for iPhone' and 'camvista', along with a footer note: 'Having trouble viewing the live images? Click here.' and 'Learn more about this camera.'
